

DEPARTMENT OF HUMANITIES AND SCIENCES MALLA REDDY COLLEGE OF ENGINEERING AND TECHNOLOGY

GUEST LECTURE BY PROF. CHANDRASHEKAR VALMIKI

On August 5th, 2016, a guest lecture was organized for the freshmen students of B.Tech. Since it was the first day of the academic year for them, Mr. Chandrashekar Valmiki Vyasa, a public trainer for personality development was called to address them for the post-lunch session. Dr. V. Madhusudhana Reddy, HOD of H&S, was the coordinator and Mrs. Caroline S. Jacob, Asst. Prof. of English hosted the occasion.

Resource person: **MR. CHANDRA SHEKAR VALMIKI VYASA**

Profile: He has been trained by the trainers of USA and UK. He is a corporate and public speaker for personality development, communication skills and English language training programme. He has a strong English background. He has 26 years of teaching experience. He frequently appears on many popular TV channels.

Objective: To persuade the students to grow and develop in all aspects of human life

The Head of the department, Dr. V. Madhusudhana Reddy, initiated the program with a brief introduction on Mr. Vyasa. He advised the students to be all ears because they can be greatly enriched by him both in their personal and professional lives. This was followed by an introduction and a warm welcome to the resource person, Mr. Chandra Shekar Valmiki Vyasa, on to the dais.

Mr. Chandra Shekar Valmiki Vyasa began the talk with a thought provoking question: What does the law of mind mean? After the various responses from the students, Mr. Vyasa said that law of mind connotes to the fact that whatever we think will happen. Thus he instilled in the students that positive thinking is what helps a man to grow and develop financially, personally, professionally, physically, mentally, socially, and spiritually.

The workshop concluded with a parting speech by the convener, Dr. V. Madhusudhana Reddy. The response from the student fraternity was highly positive, and they later thanked the HOD for giving them such exposure. The complete program was a great success under the guidance of Dr. V.S.K. Reddy, Principal, MRCET and Dr. V. Madhusudhana Reddy, Head of H & S Department.
