DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

India's Techade- Chips for Viksit Bharat

13th March 2024

Malla Reddy College of Engineering and Technology (MRCET), Secunderabad is an UGC Autonomous Institution. Students of **Electronics and Communication Engineering** participated in the Live streaming of address of Hon'ble Prime Minister on **India's Techade- Chips for Viksit Bharat**

Highlights:

India is known as an IT hub and now it aims to take lead in Artificial intelligence, Semicon design and production, quantum computing etc. India's Techade signifies India's dedication to embracing the digital age to ensure sustainable development, create new job opportunities, enhance quality of life, and establish a strong presence in the global technology landscape.

India Semiconductor Mission has been setup by the Government of India to create an end-to-end semiconductor ecosystem to enable the nation to become a significant player in the global semiconductor industry.

Aligning with India's Semi-Conductor Mission and with an aim to strengthen the semiconductor facilities in India, Hon'ble Prime Minister Shri Narendra Modi will lay down the foundation stone of the three Semiconductor facilities on 13th March 2024.

In this regards he addressed the Nation and 250 students of Electronics & Communication Engineering participated in the event.
