20th to 24th NOVEMBER 2023

Malla Reddy College of Engineering and Technology (MRCET), Secunderabad is an UGC Autonomous Institution. Department of **Electronics and Communication Engineering** organized “**Five-day Training Program on AIML, EMBEDDED SYSTEMS, VLSI, ROBOTICS & IoT**” for IV-year ECE students from **20th to 24th NOVEMBER 2023**.

Objective:

The main objective of the training program is to provide the students an opportunity to understand the different concepts and new technologies in different domains like Embedded Systems, Robotics & IoT, VLSI & AIML so that they can appropriately select the projects in their interested domains.

Highlights:

Students were familiarized with the principles of design thinking so that they can translate ideas into actionable plans.
