### **CRITERIA IV-Infrastructure and Learning Resources**

# 4.1.1 The institution has adequate facilities for teaching - learning. viz., classrooms, laboratories, computing equipment etc

The institution ensures adequate availability and optimal utilization of physical infrastructure as it is critically linked to the vision of the college–'To establish a pedestal for the integral innovation, team spirit, originality and competence in the students, expose them to face the global challenges and become pioneers of Indian vision of modern society'.

At the beginning of the academic year need-assessment for replacement / up-gradation / addition of the existing infrastructure is carried out based on the suggestions from BOS members, Heads of the departments, lab technicians and system administrator after reviewing course requirements, computer-student ratio, budget constraints, working condition of the existing equipment and also students' grievances. The Time Table committee plans ahead for all requirements regarding classrooms, laboratories, furniture and other equipments.

- Optimal deployment of infrastructure is ensured through conducting workshops/awareness programs/training programs for faculty on the use of new technology.
- Effective utilization of infrastructure is ensured through appointment of adequate and well qualified lab technicians/system administrator.
- The optimal utilization is ensured through encouraging innovative teaching learning practices.
- The available physical infrastructure is optimally utilized beyond regular college hours, to conduct certificate courses, co-curricular activities/extra curricular activities, parent teacher meetings, Campus Recruitment Training classes, campus recruitments, meetings, seminars, conferences etc.,.
- It is used as an examination centre for Government examinations/University Examinations like GATE, EAMCET, etc.

# **4.1.2** The institution has adequate facilities for cultural activities, yoga,games (indoor, outdoor) and sports. (Gymnasium, yoga Centre, auditorium, etc.)

Sport is an integral part of the curriculum. Various sports facility is provided to the students within the campus. The college is committed to create a balanced atmosphere of academic, cultural and sports activities for the overall personality development of its students.

Various sports competitions such as inter departmental, inter collegiate, Inter University, etc help in developing team spirit in students. Sports and games help the students to improve their interpersonal relationship in healthy manner. Talented students are honored with medals, trophies and certificates.

The philosophy of MRCET is to support the best elements of competition, instruction and recreation by providing the opportunity for all students to participate and excel in a team setting. And it encourages the students to participate in inter and intra college sports and games. All necessary equipments are provided to student time to time. Numbers of tournaments & competitions are arranged by the college.

We have the broad vision for students all round personality. Our college Unified Sports was inspired by a simple principle: training and playing together is a quick path to friendship and understanding. Options abound for students to play like a Tiger whether it is through a college team or intramural program.

The department of Physical Education in the college is well equipped with various facilities in sports and games for indoor and outdoor also. The college has indoor game facilities as Chess, Carom, Table Tennis and Cricket ground, Volley ball court, Basketball court and Football ground as outdoor games. A sophisticated gymnasium is also facilitated by the college for the students to develop their physical strength and fitness. The department of Physical Education is functioning under the guidance of Dr. E Raja Gopal. The department conducted State Level tournaments, JNTU zone-'C' and JNTUH central zone tournaments. The college conducts every year intramural and extramural tournaments under the name of Chairman's Trophy on the occasion of Annual Day celebrations. Apart from this, our college students also participated in the competitions organized by other colleges and won many prizes. Our students were also selected in University level teams in Cricket and Kabaddi

4.3.4 Facilities for e-content development such as Media centre, recording facility, Lecture Capturing System (LCS)

### 1. Media center

- ◆ To facilitate faculty members at MRCET with video recording of their Lectures.
- ◆ To prepare the video lecture bank for each course in each semester.
- ✤ To make these contents available to students.

#### 2. Audio Visual center

## <u>Seminar Hall</u>

#### LCD, Computer with internet connection

<u>*Class Room*</u> Equipped with: LCD, Computer with internet connection

### Lecture Capturing System

Lecture capture facility is available at campus level. The value it adds to courses-more and more students are demanding the flexibility and control that recorded lectures provide over their learning. It works especially well in subject areas where students benefit from repeated viewing of content.

#### 4.4. Maintenance of Campus Infrastructure

4.4.1 Expenditure incurred on maintenance of physical facilities and academic support facilities excluding salary component, during the year

Year	2019-2020
Average expenditure incurred	54,45,850

4.4.2. There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

- The college has Maintenance Committee that oversees the maintenance of buildings, classrooms and laboratories. The Maintenance committee is headed by the Administrative Officer who in turn monitors the work of the Supervisor at the next level. The Supervisor is accountable to the Administrative Officer and functions as the coordinator who efficiently organizes the workforce, maintaining duty files containing details about their individual floor wise responsibilities, timings, leave etc. The maintenance officer conducts periodic checks to ensure the efficiency / working condition of the infrastructure.
- The Development Section maintains the infrastructure facilities. A dedicated team of electricians, plumbers, carpenters and other personnel provide round the clock service to departments.
- In every department one of the staff members is assigned to oversee the laboratories and equipment etc.
- ➢ He /She are responsible for safe and smooth maintenance of the equipment, and facilities.
- Log book is maintained to ensure entries and problems if any. The Heads of the Departments supervise all the facilities.
- Periodic reporting on requirements of repairs and maintenance are submitted by the HODs after approval from Principal to the Administrative officer. The requirements are collectively processed in every semester break so as to keep things ready for the new semester.
- > To maintain and upkeep the infrastructure campus facilities and equipments, following activities are taken by college.
- 1) Keeping department wise stock register by concerned laboratory assistant under the observation of administrative officer.
- 2) Prepares report related to the damage/lost material, repair work or additional material installed in the lab.
- 3) Department wise stock verification are processed in every semester break so as to keep things ready for the new semester is done by concerned coordinators of the department.
- 4) Lab assistants under the supervision of the System administrator maintain the efficiency of the college computers and accessories.
