PREAMBLE

- ❖ The Institution employs several methods and events to assess the students in terms of knowledge and skills before the commencement and during the conduction of the course. The members of the admission committee examine the ability and enquire the interest of the students in accordance with the branch selected by the students at the time of admission. Induction programmes and coaching sessions are conducted for the newly admitted students for assessing their knowledge and skills. Every Department also conducts orientation programme for newly admitted students with events to identify the outstanding students.
- ❖ The advanced learners are identified by their academic performance and achievements. Special guidance and consultations are given to the advanced learners to secure high percentage of marks in university examination. The faculty members of the departments and the placement cell constantly encourage the advanced learners to write pertinent competitive exams. Advanced learners are also motivated to enroll in certification courses, NPTEL and participate in intercollegiate competition, technical fests and state/national level seminar. Merit students are felicitated on Engineers day and Annual day with prizes and mementos to motivate them to continue their academic excellence. They are also challenged with research projects, mini projects and internships and due guidance and resources provided. Advanced learners are encouraged to take up skills-based training and skills training labs by domain experts.
- ❖ Slow learners are identified and ear marked based on their poor academic performance in the continuous internal assessment tests and classroom interactions. Mentors are deputed to enhance the performance of weak students by regular counseling and providing moral support to them and encouraging them towards study through peer tutoring. Faculty provides extra attention to them in subject lectures.
- ❖ Remedial classes are conducted by every department and extra classes are arranged for backlog subjects if needed. Slow learners are constantly monitored for their performance in internal tests. Also regular communication is maintained with parents for implementation of follow-up procedures at home and for regularity in attendance.

ORIENTATION PROGRAMME FOR B.TECH – I YEAR STUDENTS

Malla Reddy College of Engineering & Technology (MRCET) organized an Orientation Programme for the newly admitted B. Tech-I year students on 2 August 2019. Students along with their Parents and Guardians were warmly welcomed by the Chairman, Ch. Malla Reddy and the Principal, Dr. VSK Reddy. It aimed at making the parents and students aware of the various academic aspects of the course that they have opted, the rules and regulations of the Institute; they also ensured parental participation in monitoring the performance and progress of the students. Around 975 students were present.

The programme was inaugurated by the Chairman, Ch. Malla Reddy after the invocation of Lord Ganapati by lighting the lamp. The visionary Chairman highly motivated the first year students to be “thinkers”. He quoted Dr. A.P.J. Abdul Kalam’s famous line i.e., ***“Think Big, Dream Big and Achieve Big. That is the true success of your life.”*** The participants got motivated by his own experiences that he had come across in his life during his initial stage.

The Principal, Dr. V.S.K. Reddy inspired the students with his optimistic words. He emphasized the importance of the Technical Education and the need of the Technocrats not only for India and also for the entire globe. He suggested the students to be proactive. He also promised that the students will be ensured placements if they are focused to do hard work right from the first day of their classroom session during their student life.

The HEAD of Humanities and Sciences, Dr. V. Madhusudhna Reddy addressed the gathering with Great Spirit and motivational words. Out of his great dedication of hard work and grandeur experience in the field of Academics, he rendered his valuable suggestions to all the participants in general and the B.Tech. I year students in particular for making their future glow. He advised the parents to be more cautious all the times in order to supervise their wards at every phase of their life to ensure their attendance and good academic performance.

Mr. ManashMishra

Mr. Manash Mishra, as a Life Coach & Peak Performance Coach, has been working to empower individuals for over 9 years now. Over the years he has touched thousands of lives and has left an impeccably positive mark on their souls. He has founded the organization JAMPS (Just About Making People Successful) in order to help people from all walks of life. Mr. Mishra lectures and hosts workshops, nationally and internationally, related to all aspects of life.

On the first day of the induction programme, Mr. Mishra made the students realize how crucial it is to set up goals in one's life and equipped the students with a wide range of strategies to reach them without losing the balance in life. His speech was not just informative and inspirational but also entertaining. Therefore, Students were enthusiastically observing and absorbing the insights given as they were made to involve in some activities.

GUEST LECTURE BY Dr. M.VISHWANADHAM ON

“COMMUNICATION SKILLS”

As part of an Induction Programme, Malla Reddy College of Engineering & Technology (MRCET) had organized a guest lecture on *“Communication Skills”* for the students of newly admitted B.Tech – I Year in the Main Seminar Hall on 3 August 2019. The speaker for the lecture was Dr.M.Vishwanadham, who is presently working with *“IMPACT”* being organized by Sri.Gampa Nageshwar Rao, a well-known motivational speaker. The objective of conducting the session is particularly to motivate the students with value orientation to BECOME BETTER CITIZENS.

Earlier, Dr.M.Vishwanadham had worked as a Professor in the Department of Commerce and Business Management, Osmania University, had rich academic experience for 35 years at various levels of UG & PG in Osmania University, Hyderabad. He held several highest order of academic and an administrative positions to his credit during his long saga career in Osmania University, Hyderabad. After his retirement, he started his second career particularly to motivate the people and students. He conducted numerous lecturers, authored many books on Personality Development.

During his lecture, Dr.M.Vishwanadham started some brain storming sessions to all the participants to realize the importance of imparting *“Communication Skills”* just not for only four years, but also for their entire life. Besides, he also advised the student to incorporate certain skills such as Motivation, Personality Development, Stress Management and Effective Leadership Qualities to face any challenges that they would experience in the future.

At the end of the session, he distributed books to all the participants.

Dr.V.Madhusudhana Reddy, Head, Department of H & S had presented over there and shared his suggestions on Communication Skills to the newly admitted students.

**GUEST LECTURE BY Dr.B.V.PATTABHIRAM on
“UNIVERSAL HUMAN VALUES”**

Malla Reddy College of Engineering College (MRCET) organized a thought provoking Guest Lecture by Dr.B.V.Pattabhi Ram with 950 newly admitted B.Tech-I year students. Dr. B.V. Pattabhi Ram is a famous Psychologist with over 30 years experience in delivering success to individuals and organizations, and a Magician of extraordinary calibre. He is also a personality development trainer and motivational speaker. Authored numerous books on various topics pertaining to Motivation, Self-confidence, Mind Power, Values and Ethics to empower the youth.

He received numerous awards in India and abroad such as UGADI Puraskars, Kalaratna HAMSA award, JADURATNA title, Honorary Citizenship from Mayors of Nashville & New Orleans and more. He was felicitated by Presidents of India - Shri Shankar Dayal Sharma, Sri R. Venkataraman and Dr Abdul Kalam for his outstanding work.

He has transformed many lives. He has been conducting targeted soft skills workshops across India, US, Middle East & APAC regions; and delivers HRD training & personal counseling for students, parents, teachers, corporate-employees, factory-workers and government departments.

During his lecture, he tried to empower the students by using globally-proven techniques coupled with his own approach of counseling. He used the handouts consist of critical puzzles and self-analysis tests to gaze the mental strength of the students. He stressed the need to incorporate *Universal Human Values* for every student in the present society to over the stress and strain. Through his magic, he enthralled the targeted people like students to get motivation towards their goals.

Students took an active participation in the activities that he conducted during the programme and realized the need to learn values and ethics in their life.

The Head, Department of H & S, Dr.V.Madhusudhana Reddy had graced the session to be taken an active participation by everyone.

AN INSPIRING TALK ON “POSITIVE MINDSET”

The programme was organized on 05th August 2019 under the great visionary, the Principal Dr.V.S.K. Reddy and the prominent Head of H&S Department Dr. V. Madhusudhana Reddy. The much-admired motivational speaker Mr. Yandamoori Veerendranath was received with great enthusiasm by the students, faculty members and the management of M.R.C.E.T.

He employed his wit and mesmerized the audience greatly. He asked the students to be more positive minded and set their goals seriously. The speaker suggested the students to have a pleasant mindset to achieve greater goals in life. He enlightened the students about the concept of hard work by quoting an example from the Bhagvath Gita.

The Principal, Dr V.S.K. Reddy felicitated the guest with a memento.

Department Visit by B.Tech-I Year students

During the Induction Programme, all the newly admitted B.Tech – I Year students visited their respective departments such as E.C.E., C.S.E., M.E., I.T., and A.E. ON 7 Aug. 2019 to observe the facts of their respective departments. Students were welcomed by the visionary, Dr.V.S.K.Reddy, Principal, MRCET along with Dr.V.Madhusudhana Reddy, Head, Department of Humanities & Sciences. Through this visit, students observed their place of learning (Class Room), Laboratories, the process of attendance, the system of discipline and the other academic oriented activities, briefed by the faculty of concerned of the respective department in the college.

MALLA REDDY COLLEGE OF ENGINEERING & TECHNOLOGY

(Autonomous Institution – UGC, Govt. of India)

REPORT ON ENGINEER'S DAY CELEBRATION

“Scientists investigate that which already is; Engineers create that which has never been.”

- Albert Einstein

Engineers are shaping the future by applying their skills to almost everything. They convert the theoretical knowledge of basic sciences into actual products and thus make our lives easy. Engineers possess versatile minds and help in filling the gap between science, technology and the community. Engineers in India contribute greatly to the nation's technological and industrial growth. There really is no limit to what engineers can do.

Engineers' Day is celebrated on September 15 every year in India commemorating the birthday of one of the greatest engineers in India and Bharat Ratna recipient, Sir Mokshagundam Visvesvarayyagaru, recognizing his contributions in harnessing water resources in India. He had successfully designed and constructed several river dams, bridges and revolutionized the irrigation system all over India.

We @ **MRCET** celebrated Engineer's Day on 15th September 2019 in honor of Dr. M Visvesvarayya, a true gem of India and to identify the great works done by our hard working engineers each year. The main objective of the event was to encourage self evaluation, motivation, effective communication and team building among the students.

Dr. V S K Reddy Sir, Principal, MRCET addressed the students and advised them to take Dr M Visvesvarayyagaru as their role model, be confident in their mission and sharpen their skills to meet the global industrial demands. **Dr. MuraliKrishna, Dean of Academics, MRCET** encouraged the students to broaden their perspective and enhance their skills to be successful.

Prof. K Kailasa Rao, Director of CSE and Dean placements urged the students to aim to be great engineers with technical skills as well as personal qualities. **Dr. D Sujatha, HOD, CSE** department added that career planning is an ongoing process during engineering and students need to be strong technically.

On this occasion, best seminars were presented by the students – Abhinava Krishna, Karthik Sai Raj, and B Surya - on the role of an engineer and his responsibilities towards the society. Department of CSE organized a Debate competition at individual class level followed by group activity to inculcate competitive spirit among the budding engineers. Faculty coordinators played a major role in collection of topics. Topics included:

1. Is country talent sold at cheaper rates via outsourcing?
2. Is the increasing number of colleges a boon to the society?
3. If a person is good at his subject, will he definitely get a job?
4. Impact of social networking sites on the today's youth.
5. Is the term "Engineer" gender-biased?
6. Is Google spoiling the creativity and the ability to think of an individual?
7. Is subject knowledge more important than any other skill in being employable?

CSE-III/IV

Winners: Rishabh Awasthi, Rahul Valluri, T Sri Harsha, T Radha, P Sindhuja, S Spoorthi.

Runners: Dixith Bandari, Kranthi, Jyothish, Basil, Prasuna, Anshula, J Anurag, Sai Krishna, Hima Bindu, Manu Sree, Tejaswini, Maghana.

CSE-II/IV

Winners: Ch Sai Likhith, B Sidhdharth, Ch Abhinava Krishna, B S Surya Krishnan

Runners: S Raja Sekhar, M S K Chaitanya, M S Dhanush, Mohd Roshan, Ravi Shankar, Manasi Joshi

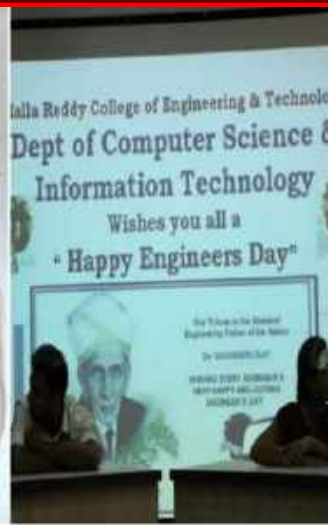

More than 250 students participated in this event.

The initiative taken by CSE department at MRCET was highly appreciated by all the staff members and the students. It was an open opportunity to all the BTech II/IV and III/IV CSE students to showcase their talents. Students with the remarkable performances were awarded with attractive gifts.

“To the optimist, the glass is half full. To the pessimist, the glass is half empty. To the engineer, the glass is twice as big as it needs to be.”

ENGINEER'S DAY CELEBRATION
