Telangana State

Dear Sir

**Sub: Fixation of Solar Electrical Meter and Connection to the Power Grid-Req-Reg**

\*\*\*\*\*

Greetings from Malla Reddy College of Engineering and Technology (UGC Autonomous)!!!

Our Consumer No: MCL2001, CMR Educational Society, Survey No.592 & 593, Maisammaguda village, Gundla Pochampally, R.R District., through which all our electricity transactions are carried out.

In the year 2019, we have installed Solar Panels in our campus on the top of Boys Hostel to meet our own power generation thereby reducing the load on the Electricity Board. The same is conveyed to your office. One of your officials has visited our campus and inspected our solar panel arrangements and agreed to fix solar meter. Unfortunately it could not materialize till now.

In this connection, we approached your office quite number of times to provide separate meter and connect to the power grid so that any excess power generated can be utilized to the public needs.

We once again request you to initiate the work and provide the same at the earliest.

Thanking you

Yours Sincerely

Dr S Srinivasa Rao

Principal

MRCET
