Sub.: Work Order For: "Fake News Detection Using Machine Learning Algorithms"

Dear Sir,  
As per our discussion held on 10/05/2019 regarding our consultancy project, hereby we are issuing the work Order for the Project titled "Fake News Detection Using Machine Learning Algorithms"

Salient terms and conditions for the contract shall be as under:

1. The scope of the work under the contract shall be "Fake News Detection Using Machine Learning Algorithms".
2. The duration of contract shall be 21 Months.
3. You shall make efforts to complete the above said work in the stipulated period of time after receiving the required technical data and required hardware from us. You are also requested to make best possible efforts to submit the required deliverables to us in time.
4. Rates

The amount will be finalized on mutual discussion for development of "Fake News Detection Using Machine Learning Algorithms".  
The terms shall remain firm during the entire Duration of Contract.

S.No	Project Expenses	Cost(Rs.)
	Material(hardware/software)	1,50,000
	Recurring amount	20,000
	Non recurring amount	65,000
	Travelling allowance	15,000
	Total cost	2,50,000/-

Thanking you,  
(Manager),

**Letter of Work Order**

To,  
The Principal,  
Malla Reddy College of Engineering and Technology,  
Dhulapally, Hyderabad.-500100.  
Sponsored Project Proposal dated: 08/02/2019  
Subject: work order for the Project "Predicting pet adoption speed using Decision trees in machine learning and neural networks".

Dear Sir,

Our staff officials have undergone the scope of work and methodology of proposed project. We extend our full support to carry out this research work. In this regard ,we are accepting your budget proposal as mentioned below and also we are also glad to release the work order budget proposal as mentioned below and also we are glad to release the work order for the project Project "Predicting pet adoption speed using Decision trees in machine learning and neural networks". From today onwards.

S.No	Particulars	Amount(INR)
1	Term-1:work order &Analysis	50,000.00
2	Term-2:Modelling & Design with code	50,000.00
3	Term-3:Testig & deployment process with final reports	1,00,000.00
Total Amount (Rupees Two Lakhs Only)		2,00,000.00

We Also accept the terms of payment as specified in your budget proposal as follows and we are glad to accept your project proposal titled "Predicting pet adoption speed using Decision trees in machine learning and neural networks" and are releasing the proposed budget amount of Rs 2,00,000.00(Rupees Two Lakhs only)

Best wishes from VN CAREER SOLUTIONS
