BOARD OF STUDIES

MINUTES OF MEETING FOR CSE DEPARTMENT

HELD ON

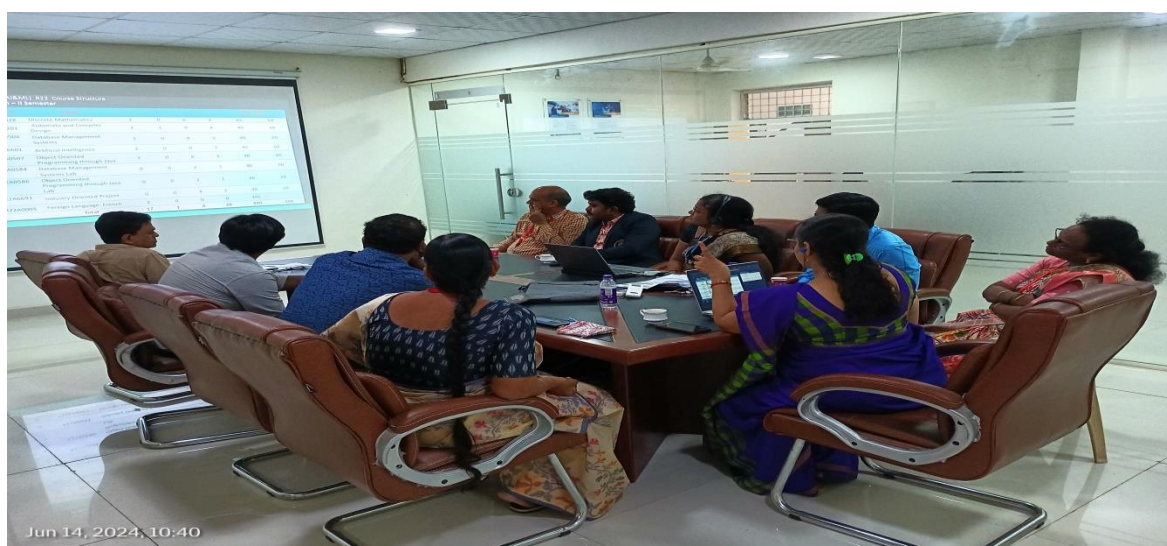

14-06-2024 [B.Tech/ M.Tech (CSE)]

Department of Computer Science and Engineering of Malla Reddy College of Engineering and Technology, have conducted **Board of Studies (BOS)** Meeting scheduled on **14-06-2024 at 10:00AM [online]**.

1. Academic Course Structure for B.Tech (I Year) and M.Tech (I year) has been discussed at length and drafted for R24 Regulations.
2. Detailed Syllabi for B.Tech (III/IV Years) programs has been discussed at length and drafted for R22 Regulation's and the Proposed Syllabus has been agreed by the BOS members.
3. BOS Members suggested keeping Artificial Intelligence subject in the III-I Semester - R22 Regulation and Machine Learning Subject in the Subsequent Semester and the suggested modifications has been incorporated in syllabus.
4. Professional Development Skills-I and Professional Development Skills-II have been proposed in R22 Regulation in III – I and III –II Semesters correspondingly with 1 credit and the same approved by BOS members.
5. In R24 Regulation, Python Programming Theory and lab in I Year I Sem, Data Structures Theory and Lab in I Year II Sem, has been

proposed and the same approved by BOS members.

6. In R24 B.Tech Regulation, Programming Workshop-I in II Year I Sem with 1 credit and Programming Workshop-II in II Year II Sem with 1 credit has been proposed and accepted by the BOS members.
7. In R24 M.Tech Regulation, BOS members suggested to add Deep learning Subject instead of Soft computing and the suggested modifications has been incorporated in syllabus.
8. Vote of Thanks by the Head of the Department.

INTERNAL BOS MINUTES OF MEETING

1. The Course structure and syllabus of B. Tech R22 I Year –I & II Semester, II Year–I and II Semester were approved by the BOS members in 2022.
2. R22 B. Tech III Year I & II Semester course structure is tentatively approved and syllabus is prepared almost same as JNTUH with small modification.
 - a. Keeping in view, the emerging technologies AIML and AIML Laboratory is introduced in III-I in place of IoT Architectures and Protocols and Lab. As an add on IoT & its applications is included as an open elective-II.
 - b. To bridge the academic and industrial gap, Application development –I and Professional Skill Development- I are included in III year I Semester and Application Development –II and Professional Skill Development –II are included in III year-II Semester.
3. R22 B. Tech IV year I & II Semester course structure and syllabus is same as JNTUH.
4. R24 B. Tech Course structure is also discussed.

- Dr. V. Madhusudhana Reddy, HOD of H & S Dept. Briefed the agenda of the meeting.
- The BOS approved the academic regulations and Course Structure of R-24 regulations.
- The committee emphasized on the need for contemporary topics which can enhance the mathematical skills of students and the committee insisted that the topics should connect with the students.
- The following changes have been recommended by the committee with regard to Mathematics-I (B.Tech I year I Sem)
 - The title of the paper is changed as '*Linear Algebra and Differential Equations*'.
- The following changes have been recommended by the committee with regard to Mathematics-II (B.Tech I year II Sem)
 - Title of the paper is changed as '*Numerical Methods and Vector Calculus*'
 - Unit-III (Partial Differential Equations) is removed and Unit-V, Vector Calculus is divided into two units as Unit-IV and Unit-V, Unit-IV as Vector Differentiation and Unit-V as Vector Integration.
- The following changes have been recommended by the committee with regard to 'Numerical Methods and Complex Variables' for ECE, EEE B.Tech II year II Semester).

1. The title of the paper is changed as *'Transformation Techniques and Complex variables'*.
 2. Unit-I, Numerical methods have been removed and instead Fourier Series have been incorporated.
 3. Unit-II, Laplace Transforms is divided into two units as Unit-II and Unit-III,
 4. Unit-II as Laplace Transforms and Unit-III as Inverse Laplace Transforms.
- The following changes have been recommended by the committee with regard to Probability, Statistics and Queuing theory (B.Tech II year I Semester)
 1. The title of the Subject has been changed as *"Probability and Statistics"*.
 2. This subject is proposed for the branches of CSE, CSE Allied Branches, ECE, EEE, Aeronautical and Mechanical Engineering.
 3. Unit-V Queuing theory is removed and instead Stochastic Processes and Markov chains is incorporated as Unit-V.
 - The following changes have been recommended by the committee with regard to Statistical Inferences and Stochastic Process (B.Tech II year I Semester), this subject have been removed for the branches of CSE-AIML, CSE-DS and instead new subject *"Probability and Statistics"* is incorporated.
 - The following changes have been recommended by the committee with regard to *"Discrete Mathematics"*
 1. This subject is proposed for the branches of CSE, CSE Allied Branches.
 2. Prims and Kruskal's algorithms are included in unit V.
 - The BOS approved the Mathematics Subjects syllabus of R-24 regulations.
