INSTITUTION- INDUSTRY CELL

To reduce the gap between the industry requirements and academic outcomes, the MRCET is pleased to constitute an INSTITUTION- INDUSTRY CELL [IIC] with the following experts from reputed organizations. The functions of this committee are to update institute curricula to meet the industry requirements, arranging students industrial visits, expert talks, industry internships etc., to generate revenue by consultancy and R&D, to enhance the students employability skills and to guide them to become the entrepreneur. This exposure to latest industry practices also infuse more effective teaching learning practices among the faculty of the institution, which helps in creation of brand name to the institution.
