DAY FIVE:30-06-2018

On the last day of the training, students were full filled that they gained lots of information about communication skills which helps them in placements. In the morning session group discussions were conducted and many students participated with a lot of interest. In the evening session a lecturer named Mr Ariwazhagan gave a good spotlight on how job placement takes place and he gave some real life examples. His lecture was very impressive to the students. The training ends with lots of glory by applauding themselves who made the training session successful.

Training is the process of increasing the knowledge and skill for doing a particular job. The purpose of training is basically to bridge the gap between job requirements and present competency of an employee. The training was well conducted by all the trainers from FACE who got huge appreciation from the students because they delivered much knowledge on communication skills which everyone need to develop for the society as well as for the Job. The effort taken by the faculty of entire FACE academy was applauded. The students were very grateful to our beloved Principal Dr.V.S.K.Reddy Sir for facilitating the training sessions which were highly focused towards campus placements.
