

**MALLA REDDY COLLEGE OF ENGINEERING & TECHNOLOGY**  
(Autonomous Institution – UGC, Govt. of India)

**INTERNATIONAL CONFERENCE ON SOFT COMPUTING AND SIGNAL PROCESSING**

**22/06/2018 and 23/06/2018**

The sixth International conference in “**Soft Computing and Signal Processing**” was held in **MRCET** on 22 and 23 June 2018 which was organized by department of CSE&IT. The Conference was a significant event, bringing together 140 scholars from various countries in which the papers got published in **SPRINGER**. The conference added glory to the institution by the presence of eminent personalities like Dr.S.B.Gadgil, Scientist, Associate Director of Research Centre Imarat (RCI), Mr.Aninda Bose, Senior Editor (Hard sciences publishing) Springer Nature, Dr.Suresh Chandra Sathapathy, Professor, KIIT, Dr.S.U.Upendra Sastry, Nodal Officer, Hindu Mahavidyalaya. This conference gave a prestigious moment when the souvenir has launched by all the dignitaries on the dais.

**D.V.S.K.Reddy, Principal** , has welcomed chief guests ,heart touching authors from national and international wide to the two days international conference which sets a platform for the teaching community .He also said that, satisfying the student community is a biggest challenge. So he conveyed that the faculty should upgrade the teaching skills to upgrade with recent technology .He expressed that students should be motivated by the content delivery of present technology. He invited PhD scholars to enhance the skills and find out the specialization needed for IEEE Papers. He also feels proud in association with Springer.

**D.Murali Krishna, Dean Academics** appreciated all the departments for conducting the three international conferences on various domains. He told MRCET is a very good platform for research scholars to grab and share knowledge. He also mentioned that JNTUH has provided permission for PhD in ECE department for full time.

**Dr.Sanjeeva Reddy, Director of ECE, Convener of Conference** spoke about all the dignitaries and told that 2018 is historical day because of first **Springer** Inauguration which makes pride and joy to MRCET. He also elaborated importance of International Conference on Soft Computing and Signal

Processing (ICSCSP), Emerging technologies in Mechanical Sciences (ICEMS) and Strategies for Business Excellence Challenges and Opportunities (ICSBE ) organized by MBA. As a convener he overwhelmed by the response of authors of various countries. He expressed his deep sense of gratitude to reputed personalities for their support of this conference for timely suggestions and encouragement. He made clear the objective of this international conference is to bring common platform for research scholars where they express their views, knowledge, dissemination of information and technology, to promote research is the entity for quality of life. He expressed his gratitude to Dr. V.S.K. Reddy, Principal, MRCET for the opportunity provided to faculty empowerment.

**Dr.Sesha Tapla Sai, HOD of MECH, Organizing Secretary** representing ICEMS addressed all the delegates and giant personalities. He welcomed academicians, scholars, participants by sharing the difficulties in conducting the International Conference and received 550 papers which is a great and laborious process in selecting the papers for Scopus under the guidance of principal sir.

**Dr.S.Srinivas, HOD of ECE, Organizing Secretary** representing ICSCSP welcomed all the delegates and participants. He shared about his research work and his review on 35 research papers. He started this work a year back and told the importance of Signal processing conducted by ECE Department.

**Dr.Naveen Kumar , HOD of MBA, Organizing Secretary** representing ICSBE expressed that he was honored to take part with engineering departments and told the importance of business excellence . He specially thanked Mr.Manoj Kumar Singh for his support in scrutinizing the papers.

**Mr.Aninda Bose, Senior Editor (Hard sciences publishing) Springer Nature, Guest of honor, Keynote Speaker** elaborated his speech on primary person's author. He expressed two points one is "More interactive more we are going to learn". Second one is "What you are going to take it how you are going to take it". He speaks about the basic research methods and number of publishing per month. Also his speech elaborates on Springer and its features. He also interacts with delegates and encourages them by giving gifts as a token of appreciation in answering.

**Dr.S.B.Gadgil, Scientist, Associate Director of Research Centre Imarat(RCI),Chief Guest** of International Conference has appreciated in conducting of three conferences on various domains have been organized at once in MRCET. He speaks about a sensor which fly and generate the data approximately daunting task and finally it was achieved RCI team. The seed of

this work was started by Late Dr.Abdul Kalam , the former president. He changed the culture in research areas where Defence sector work on conventional computing .The major endeavor is what he wants to do as a Scientist is to emulate human mind. He said the delegates to utilize the platform and gain knowledge.

**Dr.Suresh Chandra Sathapathy, Professor, KIIT, Guest of Honor,** He expressed that he feels to be happy associated with MRCET from the beginning of conference. He states that the interaction will be vibrant to implement signal processing. He appreciated MRCET for the level of work confidence and tremendous task done by the coordinators. He expressed about Dr.V.S.K.Reddy , Principal MRCET who quotes “He never say do it but he shows this is how I do it”.

**Mr. Suhas kumbhar,Senior General Manager(Plant Head),Mahindra & Mahindra Ltd.** He appreciated about the three conferences held together. He congratulate for the successful journey of the college. As an Indian everywhere in all aspects, keeping footmark is a major task. He expressed Teaching and Technology moves together .He said about the role of Mahindra & Mahindra Company for AP & TS states is for the farm machine industries which plays major role in agricultural sector.

**Dr.S.U.Upendra Sastry,Nodal Officer,Hindu Mahavidyalaya,Guest of Honor,** mentioned MGRI is the first institution having the elevated status as deemed university. He told that management should aim for customer satisfaction and Strategies for aiming business excellence will help even in academic institutions to meet the needs of students.

**International Conference on Soft Computing and Signal Processing (ICSCSP)** has received around 600 papers all over the world. In that CSE Department has received 140 papers and 75 have been scrutinized. On the day of conference 65 have presented their papers at MRCET and remaining 10 presented through skype.

We had the most prestigious personalities as our Session Chair for the two days International Conference who gave valuable suggestions to our Authors and they are **Dr.C.Suchismita, Professor, NIT Rourkela, Dr.M.Ramakrishna Murty, Associate Professor ANITS, Vishakapatnam, Dr.N.Suresh Kumar,Associate Professor VIT, Vellore, Dr.Mohanasundaram Ranganathan, Associate Professor VIT, Vellore, Dr.D.Sujatha,HOD of CSE,MRCET, Dr.G.Sharada, HOD of IT,MRCET.**

**Dr.S.Shanthi and Dr.Chandrasekhar** the coordinators of two days International Conference who helped in organizing the event under the esteemed guidance of **Dr.D.Sujatha, HOD of CSE** and **Dr. Dr.G.Sharada, HOD of IT**.

At the end of two days International Conference **Dr.D.Sujatha, HOD of CSE** and **Dr. Dr.G.Sharada, HOD of IT** appreciated all the coordinators, teaching and non-teaching staff who directly and indirectly helped in the grand success of the event.

THANKS
