

MALLA REDDY COLLEGE OF ENGINEERING & TECHNOLOGY
(Autonomous Institution – UGC, Govt. of India)

EVENT: DUSSEHRA

VENUE: CSE DEPARTMENT

DATE:13-10-2018

Dussehra which is also known as Vijayadashami, is a major festival celebrated in Telangana State which is celebrated at the end of Navratri every year. It is a celebration of the victory of good over evil Dussehra is a Hindu festival that celebrates the victory of good over evil. The festival of **Dussehra** is unique in its perception and **significance**.

Department of CSE has celebrated dussehra on 13th October 2018. On that occasion all the laboratories and department has been decorated with flowers and garlands. All the faculty members passionately worked on this occasion.

In the department the goddess has been ornamented with lemon garland, different types of flower garland. Department has organized pot luck and all the faculty members have brought exquisite dishes which was very delightful and that was offered to god as Prasad.

Dr.VSK Reddy, Principal Sir has done pooja which was accompanied by **Dr.Murali Krishna, Dean** and HOD **Dr. D Sujatha** Madam. On this gathering **Principal** Sir congratulated the faculty members for astonishing decoration and gave good wishes for institutional and personal growth.

Our CSE Laboratory In-charges have done pooja in their respective labs traditionally. Faculty members with profuse joy prodigiously enjoyed and took part in pot luck.

Finally HOD **Dr. D Sujatha** Madam addressed the gathering and thanked all faculty members for making the celebration formidable and conveyed her wishes for the manifestation of departmental growth and prosperity of faculty.
