

MALLA REDDY COLLEGE OF ENGINEERING & TECHNOLOGY  
(Autonomous Institution – UGC, Govt. of India)

EVENT: ENGINEER'S DAY      VENUE: CSE SEMINAR HALL      DATE:15-09-2018

**“Software is a great combination between artistry and engineering. — Bill Gates”**

Every year on September 15<sup>th</sup> India is celebrating Engineer's Day on as a mark of remembrance and tribute to the greatest Indian engineer Bharat Ratna Mokshagundam Visvesvaraya.

On the occasion of Engineer's day @ MRCET CSE seminar hall students conducted debate session to inculcate their skills. Before debate session JAM session was conducted for scrutinizing students. All third year and second year students were participated with enthusiasm and made a good delivery on their respective topic.

Debate was conducted on

“Is foreign culture influenced on India?”

“Is degree needed for a job?”

First session debate was conducted between third year's students which have a group of six members from that winners are debated with second years. All the teams performed well which was fabulous where all the students and faculties appreciated. Finally second year students won the debate session.

Students of third year and second year volunteers are welcomed to express the importance and the role of engineers, where their views sets the world is on the hands of engineers.

Our Dynamic Principal Dr.VSK Reddy Sir congratulates our young engineers and appreciates their dexterity as well as dedication. He advised students to get updated with the new technologies in order to survive in future.

Finally Principal Sir presented gift to the students who won the debate session and Dr.S.Shanthi HOD In charge thanked Principal Sir for his presence and gracing the occasion also thanked all the faculty member and students for making this event a grand success.
