

MALLA REDDY COLLEGE OF ENGINEERING & TECHNOLOGY
(Autonomous Institution – UGC, Govt. of India)

EVENT: TEACHER'S DAY VENUE: CSE SEMINAR HALL DATE: 5-09-2018

“Teachers can change lives with the right mix of chalk and challenges”

Every year in India, September 5th is celebrated as Teachers' Day to mark the birth anniversary of **Dr Sarvepalli Radhakrishnan**, who was born on September 5, 1888. A great scholar, philosopher and a Bharat Ratna holder, who was the first Vice President and second President of India. He had been a teacher himself and clearly understood the power that lay in teachers when it came to shaping a nation and thus remembered to honor teachers on his birthday.

In order to celebrate his 130th birth anniversary on September 5th 2018, **MRCET** students of Computer Science and Engineering have taken initiative to express their gratitude towards the teacher for their contribution on academic development.

On the eve of teacher's day, third year and second year students decorated their class rooms and faculty members were welcomed by the students for cake cutting. Students have given gift to all faculties as a token of gratitude to show the acknowledgement and recognition of the hard work on their academic development.

Teacher's day celebration @ MRCET CSE Seminar hall was occupied with final year students and the eminent persons on the dais. The chairs were occupied by Principal, Dean, Director and HOD.

Our beloved Principal Dr.VSK Reddy Sir appreciated all the students who have taken initiation on organizing the event. He gave a speech about teacher's day and motivated students to shine up well in future.

Finally students presented gifts as a token of respect and arranged cake which was cut by Principal Dr.VSK Reddy sir, Dean Dr.Murali Krishnan Sir, Director of CSE&IT Prof Kailash Rao Sir, HOD Dr.D.Sujatha Madam, and all the faculty members of the CSE department.
