TECH TRIX-2K16

Industry events and technology conferences are a great way to connect with others and explore the direction the IT industry is headed. Below you'll find a list of upcoming IT conferences and IT events as well as their dates, locations and links, plus additional information on each event.

Spend a day with our Analysts to discuss powerful trends that will forever change your IT department. We'll share recent research and your experiences concerning:

- Redefining IT – Stay Ahead of the Perfect Storm
- Enhancing Organizational Processes
- Optimizing Contracts to Reduce Spend
- Adopting Emerging Technologies
- BI in a Big Data World, and more
- And more

Many technical and entrepreneurship events are held during the fest, including quizzes, Coding marathons, RC car racing and the like. These are broadly classified into various Branch Events. Apart from this, Workshops in a variety of fields are also held. To highlight the social responsibility of Engineers, social/environmental awareness initiatives are undertaken under the banner of SCE (Socially Conscious Engineering). Technites is another major attraction, showcasing the beauty of technology after dark.
