CSE (AIML) / AIML / AI&DS

Report on Campus Recruitment Training (CRT)

July 15-20, 2024

Venue of the Event: MRCET Labs

Mode: Offline

Duration: 5 Day (09:30AM to 04:00PM)

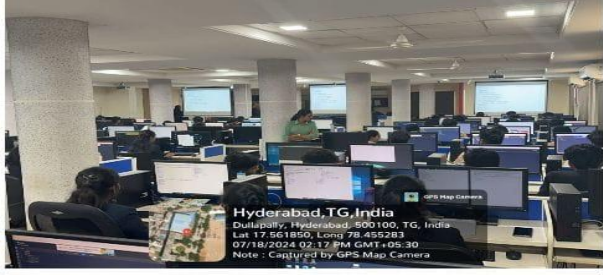

No of Student Participants: 296

Department of Computational Intelligence has conducted a "5-day CRT program" for all the students of CSE (AIML), AIML, and AI&DS from **15-7-2024 to 20-7-2024**. The knowledge enhancement session was attended by the respected Director **Dr. V S K Reddy** Sir, Principal **Dr. S. Srinivasa Rao** Sir, Dean-Academics **Dr. Venugopal** Sir and HOD **Dr. D. Sujatha Mam**.

Dr V S K Reddy, Director emphasized the importance of CRT program for the 3rd Years. He guided students as how to balance their academics and co-curricular activities and stressed the need to have discipline in balancing the both. He stressed the need to have good attendance and participation in departmental and intra departmental academic activities to enhance the domain knowledge and to meet the market needs.

Dr. S. Srinivasa Rao, Principal insisted the students to have 100% participation in the 5-day program and get best out of it for their career and academics. He gave valuable inputs from his past experience about such events in order to equip all the needed skills to sustain in the field of intense competition.

Dr. D. Sujatha Mam, HOD encouraged the students by giving overall insight about the program and the delivery of the contents. He emphasized the students to be more interactive than passive participants. He stressed the need of improvement in the field of Aptitude and Communication skills.

Logik Works, the resource trainers for the program interacted with the students and gave them the much-needed confidence about their delivery and content. They gave the 5-day CRT program Schedule and encouraged the students to be more interactive throughout the sessions.

The candidates will be trained thoroughly in the following areas.

- Aptitude Tests
- Group Discussion Process
- Interview Process

CRT Training Course Objective

- Unique short cut techniques for mathematics to improve speed and accuracy.
- Improve logical thinking to solve various questions and puzzles in Reasoning.
- Resume making and information Sessions.
- Interactive Methodology.
- Grooming Body Language, Soft Skills, Attitude,etc.
