Event Description:

National Youth Day, also known as **Swami Vivekananda Jayanti** in India, is a celebration that resonates with the vigour, potential, and aspirations of the country's young population. Observed on January 12th each year, this day holds special importance as it marks the birthday of one of India's most influential and revered spiritual leaders, Swami Vivekananda. The occasion not only commemorates the birth of this visionary figure but also serves as a platform to recognize the role and importance of the youth in shaping the nation's future.

On the occasion of **National Youth Day**, Department of **COMPUTATIONAL INTELLIGENCE** organized Poster Presentation on “**Youth towards Sustainable world**” for the students to present their work at **MRCET campus** on **12th Jan 2024**. The event was planned in such a way that students can involve themselves in exhibiting their talents.
