

MALLA REDDY COLLEGE OF ENGINEERING & TECHNOLOGY
(Autonomous Institution – UGC, Govt. of India)

DEPARTMENT OF COMPUTATIONAL INTELLIGENCE

A REPORT ON THREE DAY WORKSHOP ON “C-Programming”

(From 01/10/24 to 04/10/2024)

The Department of Computational Intelligence has organized a 3-day workshop on “C Programming” in collaboration with CODE TANTRA for II year students of CI from 1st October to 4th October, 2024.

1. Objective of the Workshop:

The workshop was designed to provide students with essential programming skills and hands-on experience in mastering the fundamentals of C.

Schedule

Day 1:

Morning and Afternoon Sessions:

- Brief introduction about C language
- Derived data types
- Enumerations
- Increment and decrement operations

Day 2:

Morning and Afternoon Sessions:

- Problem solving session
- Simple mathematical problems
- Palindrome, multiplication tables, GCD and LCM etc

Day 3:

Morning and Afternoon Sessions:

- Structures
- Unions
- File handling techniques
- Practical programs

Timings:

1. Morning session - 9:30 am to 12:30 pm.
2. Afternoon session - 1.15 pm to 3.40 pm
