(Autonomous Institution – UGC, Govt. of India)

DEPARTMENT OF COMPUTATIONAL INTELLIGENCE

## **Report on One Day FDP on EFFECTIVE TEACHING**

A one day faculty development program has been conducted on 13<sup>th</sup> Jul 2022 at Malla Reddy College of Engineering and Technology in Main auditorium. Teaching is one of the most important professions, which aims at building a society with responsible and resourceful citizens and this is possible for a teacher to achieve this through effective teaching and effective class room management. In view of this, a FDP was arranged at MRCET to all the faculty members.

The FDP started in the morning at 09:30am. Around 200 faculty members have actively participated and gained useful information from all the sessions.

Dr. VSK Reddy, Director (MRCET), Dr. Srinivas Rao, Principal (MRCET), Dr. D. Sujatha, HOD of CI, Dr. K. Suresh, HOD of IT, Dr. K. Mallikharjuna Lingam, HOD of ECE, Ms. Misba Mehdi, HOD of ANE, Dr. Srikar, HOD of MECH, Dr. Naveen Kumar, HOD of MBA, Dr. V. Madhusudhan Reddy, HOD of H&S occupied the dais.

Dr. VSK Reddy, Director (MRCET), shared his views with faculty participants that if faculty wants to develop themselves then attending such FDP would enhance their skill of teaching concepts practically. He briefed the participants about the subject chosen for the FDP and highlighted the reason and importance.

Dr. S. Srinivasa Rao, Principal addressed the faculty members by welcoming them to the one day FDP and shared his views on this event. He explained the importance and objectives of organising this FDP.

Dr. V. Madhusudhan Reddy, HOD of H&S, addressed the gathering about how technology has come to hold a central place in education system. He stressed on three things for learning i.e. Awareness, Management & Technology.

Dr. Naveen Kumar, HOD of MBA, in his address he motivated all the faculty members by his speech.

Dr. D. Sujatha, HOD of CI, explained that always the class room teaching should be in interactive way and the faculty should give the live examples to the students so that they can understand the concepts in the better way.

Dr. K. Suresh, HOD of IT, has given some suggestions that how to prepare the PPTs and how to engage the students in the classroom.

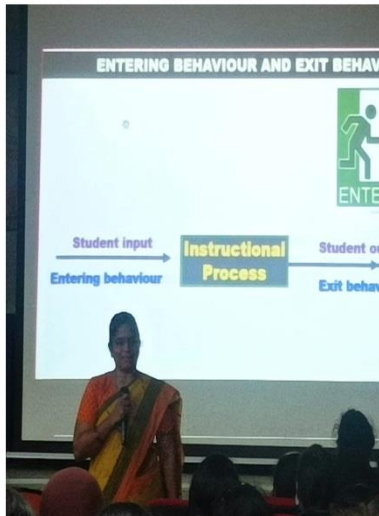

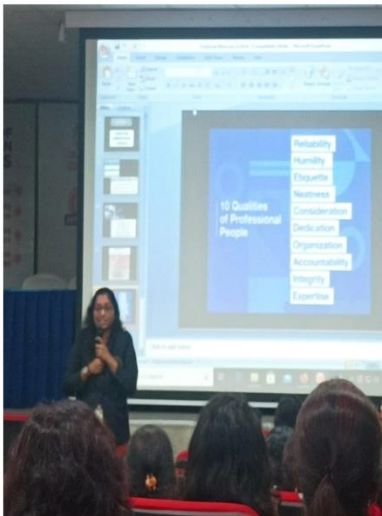

Ms. Misba Mehdi, HOD of ANE, explained that all the students in the classroom will have different mindsets. So, she suggested the faculty members should adopt different methodologies to teach the concepts.

Dr. Srikar, HOD of MECH, in his address said that learning is a continuous process and explained the 4 quarters of the process of learning.
