Report on Teacher's Day Celebrations held on 05/09/2023

In India, 5th September is celebrated as Teachers' Day as a mark of tribute to the contribution made by teachers to the society. 5th September is the birthday of a great teacher Dr. Sarvepalli Radhakrishnan, a staunch believer of education and a well known diplomat, visionary, statesman, scholar, President of India and above all a perfect Teacher.

In 1962, when Dr. Radhakrishnan became the President of India, he was approached with a request of celebrating his birthday. He said, "Instead of celebrating my birthday, it would be my proud privilege if this day is observed as Teachers' Day". This showed his love for the teaching profession. From then onwards, this day is celebrated as Teachers' Day in India.

Teachers mould the lives of the students by guiding them, by enriching their personalities, by imparting ethical and moral values and have more influence on them. Teacher's Day is celebrated with great enthusiasm in many parts of the world. This day is dedicated to the teachers with the sense of respect, appreciation, encouragement and support for their devotion to their students.

“Teachers are the torch bearers of the Gen-next”

The teacher’s day was celebrated by the students of Computational Intelligence department at MRCET campus on 5th September to express their gratitude for the immense contribution put forth by their teachers towards their development. Teachers are the cornerstone of students’ future.

Students of Computational Intelligence celebrated in a peculiar way by donating food for needy through THAAGUM FOUNDATION to show the gratitude towards faculty and as a token of gift they presented a video of the distribution of food which made Teacher’s Day as a very special day and Dr.D.Sujatha Mam, HoD of CI, appreciated students who participated in the donation activity on behalf of faculty Members.

All in all, it was celebration mode for everyone!
