Department of Emerging Technologies has conducted a guest talk for all the students of Data Science, IoT, Cyber Security and AIML on 08-02-2023. The **industry awareness session** was organized in association with **Mr. Rajath Kumar** of **TON Foundation** and attended by HOD-ET **Dr. M V Kamal Sir**, Event Coordinator **Dr. I Nagaraju** and the faculty of Emerging Technologies.

Dr. M V Kamal, HOD-ET encouraged the students by giving by the insights of the program and the value of it. He emphasized the students to be more interactive than passive participants. He stressed the need of improvement in the field of specific domains of the technology and try to explore this area of dominance.

Mr. Rajath Kumar, an experienced CEO with a demonstrative history of working in **WEB 3.0**, Media and International relations space. He is highly skilled in strategy formulation and implementation, Team building and government liaisons. He graduated from United Nations Empretec Foundation in entrepreneurship and capacity building.

He is highly fascinated about **WEB 3.0**, Decentralization and building communities along with strategies for growth. He started the session with history and basics of WEB and its series and went on to give the advancements of this field of dominion. He encouraged students to join in the Telegram community and encouraged the students to join for their internships by airing the required skills for the same.
