

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING REPORT ON 8th ICSCSP 2025

Malla Reddy College of Engineering & Technology (MRCET) successfully hosted its **8th International Conference on “Soft Computing and Signal Processing (ICSCSP-2025)”** on **20th and 21st June 2025**, organized by the **Departments of CSE, IT, AIML, and ET**.

The **inaugural ceremony** commenced with the **lighting of the lamp**, followed by a soulful **invocation song**. The event was graced by distinguished personalities, including:

- **Chief Guest:** Sri Ch. Malla Reddy, Founder Chairman, MRGI
- **Guests of Honour:**
 - Prof. Suresh Chandra Satapathy, KIIT, Bhubaneswar
 - Prof. Samrat L. Sabat, University of Hyderabad
 - Dr. S. Nagender Kumar, University of Hyderabad
- Dr. VSK Reddy, Director, MRCET
- Dr. S. Srinivasa Rao, Principal, MRCET
- Dr. T. Venugopal, Dean of Student Welfare, MRCET
- Heads of all Departments

The 8th International conference on Soft Computing and Signal Processing has received 390 papers overseas. In which 48% were accepted and 30 % were published in scopus indexed in association with springer.

The conference saw enthusiastic participation from **research scholars across various countries**, who presented innovative and impactful research papers. Selected papers from the

conference will be **published in SPRINGER**, reflecting the academic excellence of the event.

To commemorate the occasion, a **souvenir was officially launched** by the dignitaries on the dais, marking another proud milestone for MRCET.

Prof. Samrat L. Sabat, University of Hyderabad, delivered an insightful talk on **Signal Processing**, emphasizing its role as a fundamental field in engineering and applied sciences that focuses on the analysis, modification, and synthesis of signals. He also encouraged the authors to actively pursue research in this area.

Dr. S. Nagender Kumar R, University of Hyderabad, spoke about emerging technologies and highlighted how **Artificial Intelligence (AI)** is transforming the world across various domains.

Dr. VSK Reddy, Director of MRCET, addressed the gathering and expressed his gratitude to all the guests of honor for their presence. He urged the authors to focus their research on **cutting-edge technologies**.

Dr. S. Srinivasa Rao, Principal, MRCET, encouraged the authors to **consistently publish their research in reputed journals**, as it plays a vital role in enhancing their knowledge and academic growth. He also extended his heartfelt thanks to the Director and the management for successfully organizing the **8th International Conference** without any hurdles.

Dr. T. Venugopal, Dean of Student Welfare, MRCET, appreciated all the authors for their dedicated efforts in their research papers. He also advised them to publish their work in **Scopus-indexed journals**, as it adds significant value to their academic and research profiles.

The **session chairs for the conference** efficiently conducted the sessions over **two days in both offline and online modes**, ensuring smooth coordination and active participation from all the presenters and attendees.

- Dr.SrinivasaRaoBattula, Professor in the School of Computer and Information Sciences of University of Hyderabad
- Prof. Dr.VenkatadriMarriboyina, Professor and Associate Dean at SVKM's NMIMS MPSTME Shirpur Campus,
- Dr.T.Suresh , Associate Professor, Department of CSE, Annamalai University,

- Dr.NileshchandraPikle, Assistant Professor, Department of Computer Science and Engineering, IIIT Nagpur,
- Dr.HanumatSastry G, Professor and Associate Dean,School Computer Science,
- University of Petroleum and Energy Studies.Uttarakhand

At the end of the conference, Dr.S.Shanthi, HOD-CSE has thanked all the session chairs, authors of the conference for their active support and participation. Also thanked the management, principal and the director of MRCET for providing this platform. She also appreciated the coordinators, technical support team, teaching and non-teaching staff for their effort in making this event a grand success.
