

REPORT ON NATIONAL EDUCATION DAY

National Education Day was celebrated in Malla Reddy College of Engineering and Technology campus on 11th November 2021. On this occasion, the Department of CSE & IT organized an Expert Talk on **National Education Policy 2020**. The day marks the birth anniversary of Maulana Abdul Kalam Azad, who was the first education minister of the country after independence. Azad was a renowned freedom fighter as well as a scholar and poet. He desired to bring about prosperity in his country through the spread of education. He was responsible for setting up apex bodies such as AICTE and UGC.

The National Education Day was organized in the Main Auditorium, MRCET. Around 500+ students have participated in this session. The Programme Started around 2.30p.m. Mr. T. Sai Kumar, Secretary & Treasurer, IEEE Education Society was the Chief Guest for the day. Prof. K. Kailasa Rao, Dean placements, Dr. Shanthi, HOD of CSE, Dr. Kamal, HOD of CSE(allied branches) and Dr. Sharadha, HOD of IT were accompanying the Chief Guest on the stage.

Prof. K. Kailasa Rao, Dean placements has addressed the gathering by explaining the importance of National Education Day and about the contribution of Abdul Kalam Azad to the country. He advised the students to know about the history of this great leader. He added a few suggestions to the students to upgrade themselves with new technologies.

Dr. S. Srinivas Rao, Principal addressed the students by delivering the importance of the National Education Day and about Abdul Kalam Azad. He shared his views on Maulana Abul Kalam Azad's contributions in the field of education, nation-building, and institution-building.

Mr. T. Sai Kumar, Secretary & Treasurer, IEEE Education Society was the key speaker for the Expert Talk has shared his opinion on National Education policy India – 2020 with a focus on three main elements i.e. Students enrolling in the Higher Education System Holistic and Multidisciplinary Education and Educational Technology, and Online Education. He also shed light on the current state of the Learning Crisis, which gave way to the creation of this new structure i.e., it replaced the 10+2 with 4+3+3+2+3. He concluded the session by emphasizing the challenges faced in accessing online and offline content.

A memento was presented to the chief guest by Principal Dr. S. Srinivas Rao as a token of our gratitude. And at last vote of thanks was given by Dr. M. Uma Maheswari and congratulated all the coordinators and faculty for their effort in making the event grand success.
