DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

Report on CISCO CCNA Certification Training Programme

CISCO CCNA Certification Training Programme has been conducted on 8th-9th Feb 2022 at Malla Reddy College of Engineering and Technology in Main auditorium. The Training Session started in the morning around 09:30 Am. All CSE and IT III year students have participated in this session. The resource persons for the training programme are Dr.S. Srinivas Rao, Dr. T. Siva Ratna Sai, Dr. N. S Gowri Ganesh, Mr. A. Syam Prasad and Mr. D. Chandrasekhar Reddy.

The main purpose of this training was to train participants on the concepts of computer networks. Training included various topics such as Overview of Computer Networks, Exploring the Network, Configuring the NW OS, Ethernet, Network Layer, NW Protocols & Communications, NW Access, IP addressing, Subnetting, Transport Layer, Application Layer and Building a small Network.

The training methodology was interactive as the trainers ensured that knowledge was not only disseminated but accurately perceived and understood by the participants. And in order to ensure this, trainers engaged participants in discussions and kept the forum open for feedback, queries and suggestions.

At the end of the training, feedback from participants was collected regarding training contents and trainer's evaluation.

The general feedback of participants about the trainer was very positive as the majority of the participants fully agreed and was appreciative of the trainer's level of knowledge, style and presentation, preparation and research about the topics and the efficient use of training material. Moreover participants also admired that the trainer engaged participants in discussions and encouraged them to raise questions and not only this, his/her overall behavior towards participants was also good which made it easy for them to learn and understand. While sharing their opinion, participants said that all the sessions were informative and relevant to the area.

CISCO CCNA CERTIFICATION TRAINING PROGRAMME

Schedule

Training Dates: 8-9 February 2022

Participants: B.Tech - III year CSE & IT

Venue: Main Auditorium

Coordinators: Dr. S.Shanthi & Dr G Sharada

Resource Persons: Dr S Srinivasa Rao, Dr Gowri Ganeshan, Mr A Syam Prasad, Mr D Chandrasekhar Reddy, Mr K Sudhakar Reddy.

Day	Timing	Topics to be covered	Lecture By
Day 1 08 February, 2022	9.30-11.00am	Inauguration Overview of Computer Networks	Dr S Srinivasa Rao
	11.00-11.15am	Tea Break	
	11.15-1.00pm	Exploring the Network Configuring the NW OS	Dr T Siva Ratna Sai
	1.00-1.30pm	Lunch Break	
	1.30-4.00pm	Ethernet Network Layer NW Protocols & Communications	Mr Chandra Sekhar Reddy
Day 2 09 February, 2022	9.30-11.15 am	NW Access	Mr A Syam Prasad
	11.15-11.30am	Tea Break	
	11.30-1.00pm	IP Addressing Subnetting	Mr A Syam Prasad
	1.00-1.30pm	Lunch Break	
	1.30-3.00pm	Transport Layer Application Layer	Dr N S Gowri Ganesh
	3.00-4.00pm	Building a small network	Dr N S Gowri Ganesh
