Student Achievements of Cyber Security:

Ms. KATTELA SHREYA (20N31A6229) was topper in 1st and 2nd Semesters of 1st year B.Tech, participated in **Smart India Hackathon**, Avishkar 2k21(coding hackathon, poster presentation and achieved best orator appreciation), completed the course **"Microsoft AI"** classroom series, Achieved Udemy Certification on **"Domain name and web hosting"**, participated in National level quiz on python programming by **Sigma Institute of Engineering**, Achieved Certification on **"Introduction to cyber security"**.

Ms. JALLA GREESHMA (20N31A6226) was topper in B.Tech 2nd year I-Semester.

Mr. AKULA SANDEEP (20N31A6201) has learned and certified in **AI**, **Python and flask framework**, **Introduction to Cyber security**, Data analysis with python, Nonverbal communication, Data Visualization with python, Machine learning and deep learning, Data structures in python, **Python 101 for data science**, **Maths for data science and Machine Learning**.

Mr. BADDULA SHASHI KUMAR YADAV (20N31A6203) has completed courses on **Microsoft AI** classroom series, Project Management Course, **Python 101 for data science**, Data Analysis for python, Data Visualization with python and got certification.

Mr. BOINAPALLY PRANAV (20N31A6207) has completed courses on Public speaking mastery workshop, Project management course.

Mr. BOJJA KALYAN SUMANTH (20N31A6208) has completed courses on Nonverbal communication and Python programming.

Ms. CHAVAN RAJESHWARI (20N31A6211) has participated at **Avishkar coding Hackathon** and has completed courses on Functional programming, Architecture and clear coding in Object Oriented Programming, Project management course, Ideas in logos and animation, Python and flask framework.

Ms. CHEEMANAGUNTLA BAVITHA (20N31A6212) has participated at **Avishkar Hackathon orator**, Poster presentation and paper presentation.

Mr. D NIKHIL TEJA (20N31A6213) has participated at **Avishkar coding Hackathon**, and participated in the **Smart India Hackathon**, has completed courses on Network Ethical hacking for beginners, **Introduction to cyber security**, reverse engineering debugging and malware analysis, Deep web the complete introduction to the hidden web, **Digital Forensics**, Python and Flask Framework, Non-verbal Communication, Domain name and web hosting, **Python 101 for data science**, Data visualization with python, Data analysis with python.

Mr. D ROHITH (20N31A6214) has completed a course on **Overview of ethical hacking**, Python programming and flask framework, Network ethical hacking, Public speaking mastery workshop.

Mr. DUGGINENI VENKATA SHIVA (20N31A6215) has participated in **Smart India Hackathon**. Avishkar power point presentation.

Ms. DUSA SRINIJA (20N31A6216) has participated in **Smart India Hackathon** and completed courses on Python 101 for data science, Data analysis with python, Python and flask framework, non-verbal communication.

Mr. GANGAM SAIVASTAVA (20N31A6219) had participated at **Avishkar coding Hackathon** and has completed courses on Programming hub, Participated in the **Smart India hackathon**, Python learning course, Simply learn cyber security.

Mr. GANTA SASIDHAR REDDY (20N31A6220) has participated in **Smart India Hackathon** and **Avishkar coding Hackathon** and has completed courses on Python programming from basics to advanced level, Non-verbal communication, Microsoft AI classroom series.

GNANA SRI Y (20N31A6221) has participated on Aavishkar paper presentation and achieved 1st prize, participated and selected in **Smart India Hackthon**.

Mr. GOPAGONI SAI TEJA (20N31A6222) had completed course on **Cognitive class.ai** and certification on Data Analysis and Data visualization with python and Python 101 for data science.

Mr. GUBBA TEJA (20N31A6223) has completed courses on Search engine development using python, participated in paper presentation **(Aavishkar-2k21)**, and participated in Smart India Hackthon.

Ms. HABAL PALLAVI (20N31A6224) has Participated in poster presentation (Aavishkar-2k21).

Mr. JAKKIDI SANKEERTH REDDY (20N31A6225) had Participated in **Coding hackathon** and paper presentation **(Aavishkar-2k21)**, completed course on **Cognitive class.ai** certification on Python 101 for data science, and participated in **Smart India Hackthon**.

Mr. K BHUVAN (20N31A6227) had participated in a **quiz on Data Structures using C** conducted by **Pune Vidyarthi Griha's college of engineering** and achieved appreciation award, Certification on Python and Flask Framework.

Mr. KASULA NEERAJ (20N31A6228) got the Certification on Project Management Course (Master Project Scope Management).

Mr. KODUMURI AKHILESH (20N31A6230) has completed Certification on Introduction to Microsoft Azure, **Cognitive class.ai** certification on Data visualization with python, achieved 2nd prize winner in poster presentation **(Aavishkar-2k21)**.

Mr. KOMARI ANJIBABU (20N31A6232) has participated in poster presentation and **coding Hackathon (Aavishkar-2k21)**, participated in **Smart India Hackthon**; completed certification on Complete Introduction to Cyber Security, C programming certification course by Programming Hub, Certification on Introduction to Microsoft Azure.

Mr. KOTA DALAIAH (20N31A6233) has participated in **coding Hackathon**, paper presentation **(Aavishkar-2k22)**, Certification on Data Studio by Google Analytics Academy; Certification on Python Programming by Udemy.

Mr. KOTHA KARTHIK (20N31A6234) got the Certification on SQL Injection Attacks by Code red (EC-Council); Introduction to Cyber Security; Visualization with blender; Ethical hacking for beginners, **Cognitive class.ai** certification on Python 101 for data science.

Ms. LEKHA SRI (20N31A6237) has participated in **Smart India Hackathon** and **Avishkar2k21 (Coding Hackathon**, **poster presentation and best orator**) and Microsoft AI classroom series, Udemy Certification on domain name and web hosting National level quiz on python programming by sigma institute of engineering, Certification on introduction to cyber security, got Internship certificate on web designing.

Mr. M RUCHITH (20N31A6238) has Participated in **coding Hackathon (Aavishkar-2k21)**, completed certification on Introduction to Python.

Mr. MADGUL UDAY KIRAN REDDY (20N31A6239) has participated in **Coding Hackathon (Aavishkar-2k21)**, got Certification in Microsoft AI classroom.

Mr. MARNI ROHIT (20N31A6240) has participated in paper presentation **(Aavishkar-2k22)**, Certification on Data Structures in Python, achieved Lead Level-2 certification on guitar.

Ms. MEKA VYSHNAVI (20N31A6241) Cognitive class.ai has done certification on Data Analysis and Data visualization with python and Python 101 for data science.

Ms. MUTHYALA SWATHI CHOWDARY (20N31A6242) got certifications on Python and Flask framework. The complete non-verbal communication course-body language, python 101 for data science, Data analysis with python and SIH (Internal Hackathon).

Ms. N NAVYA (20N31A6243) has completed certifications on Python and Flask framework. The complete non-verbal communication course-body language, python 101 for data science, Data analysis with python and SIH(Internal hackathon).

Ms. NARAYANADASU SATVIKA (20N31A6244) has participated in **Smart India Hackathon**. **Avishkar coding hackathon**, Android app UIdesign, Nonverbal communication, National level quiz on python programming by Sigma Institute of Engineering.

Ms. NATKARI NIKITHA BHAVANI (20N31A6245) has completed certification on Data analysis and Data Visualization with python.

Mr. PAKA PRUDHVI (20N31A6246) has completed certification on **Microsoft AI** Classroom series and **Cyber Security** 2-DAY **ethical hacking training program**.

Mr. PANITHAPU NAGA SRIRAM (20N31A6247) has completed certification of coding **Hackathon (Aavishkaar2k21)** and Java script Certification.

Mr. PATAN ABDULSALAM KHAN (20N31A6248) has participated in SIH (Internal Hackathon) and achieved Certification on CC video editing.

Mr. PEDAPUDI HARI PURNA SAI SUSHRUTH (20N31A6249) has completed certification on Introduction to cybersecurity, **Aavishkaar (Coding Hackathon)**.

Mr. PENUKULA CHIRANJEEVI (20N31A6250) has completed certification on **Data analysis and Data Visualization with python** and **Python for beginners** at college level **Rajkiya Engineering College**.

Mr. PILLI ARUN KUMAR (20N31A6252) has completed certification on Introduction to Cyber security, Aavishkaar (coding Hackathon), SIH (Internal Hackathon).

Mr. PULI VIKRAM (20N31A6253) has completed certification on Data Visualization with python, participated on Poster presentation at our college level (Techtrix) and got Certification on python 101 for data science.

Mr. S VINAY KUMAR (20N31A6256) achieved certification on Data analysis with python and python 101 for data science.

Ms. SHATALLA SUJITHA (20N31A6258) achieved certification on Data analysis with python and python 101 for data science.

Mr. VIDYA VINAY KUMAR (20N31A6260) achieved certification on Microsoft AI classroom series and **Aavishkaar certification on Coding Hackathon**.

Mr. KONDA CHETAN (21N35A6204) has completed certification on C Programming.

Mr. PARISA SRIRAM (21N35A6205) has earned certifications on Python Programming, Data Structures in Python, Machine Learning using Python, Ethical Hacking, Web Development, **and Smart India Hackathon**.

Mr. VISHWANATHULA SUMITH KUMAR (21N35A6206) has earned a certification on Embedded Systems (ECE).
