

STUDENT ACHIEVEMENTS OF DATA SCIENCE

Mr DHARAVATH SAIKIRAN (20N31A6714) has participated in Tableau training, Introduction to cyber security, Data science with Python in Skill up in the year 2021-2022.

Mr BOLANWAR GOKUL (20N31A6708) has completed course in Python programming from basics to advanced level, Math for data science and machine learning, The ultimate Python guide for beginners, Microsoft excel master class for business managers, Building awesome professional brand through impactful emails, Bootstrap 5 with 2 projects in Udemy and data visualization with python, Python 101 for data science, Data analysis with python in cognitive class in the year 2021.

Mr RAHUL DUMPALA (20N31A6717) has done course in data analysis with python, Data visualisation with python in cognitive class, Bootstrap 5 with 2 projects, Microsoft excel master class for business managers, Microsoft excel master class for business managers, Math for data science and machine learning, The ultimate python guide for beginners, Building awesome professional brand through impactful emails in Udemy and python for data science in great learning in the year 2021, **Smart India Hackthon 2022** in the year 2022.

Mr MD. REHAN PASHA (20N31A6742) has completed course in Microsoft excel master class for business managers, the ultimate python guide for beginners, Math for data science and machine learning in Udemy and data analysis with python in cognitive class in the year 2021.

Ms D. SRUJANA (20N31A6713) has done course in Microsoft excel master class for business managers, Building awesome professional brand through impactful emails, IBM certification on python in Udemy in the year 2021.

Mr K. PREM CHAND (20N31A6735) has participated in math for data science and machine learning, investing in stocks for beginners in Udemy in the year 2021.

Mr P. SAI TEJA (20N31A6747) has completed course in mathematics for data science, Python for beginners, Excel for beginners, introduction to data science in cognitive class and data visualisation with python in Udemy in the year 2021.

Mr P. AJAY (20N31A6746) has done course in python 101 for data science, Data visualization with r, introduction to data science, game playing AI with swift for tens or flow in cognitive class in the year 2021.

Mr A. DHEERAJ REDDY (20N31A6703) has participated in data visualisation with python, python 101 for data science, data analysis with python in cognitive class in the year 2021.

Mr K. MAHESH GOUD (20N31A6732) has completed course in OOPS in java in great learning, biometrics security with machine learning, data analysis with python, data visualisation with python, python 101 for data science in cognitive class in the year 2021.

Mr MD. KHALEEL (21N35A6701) has participated in Inter State Kabaddi championship in Anurag University, project done on Embedded System in Uppal industries in the year 2022.

Mr P. VINAY (20N31A6748) has done course in python 101 for data science, data visualisation with python, and Introduction for data science in cognitive class in the year 2021.

Ms GANDHAM VARSHA (20N31A6720) has completed course in python fundamentals for beginners in great learning academy and **Smart India Hackathon 2022** in **MRCET** in the year 2021.

Mr G. SANDEEP (20N31A6722) has done course in data analysis with python, data visualisation with python, python 101 for data science in cognitive class in the year 2021.

Ms K. DEEPIKA (20N31A6727) has completed course in Microsoft AI classroom series in Microsoft, Python 101 for data science, Data visualisation with python, Data analysis with python in cognitive class, Data science foundation, Intorduction to python in Infosys in the year 2021, Google analytics for beginners, Advanced google analytics in google analytice academy in the year 2022.

Ms K. PRIYANKA (20N31A6734) has participated in data analysis with python, Google analytice academy in cognitive class, Google analytics for beginners in google analytice academy, Nationl level quiz on python programming in sigma institute of engineering math for data science and machine learning, Microsoft excel master class for business managers in udey, **Coding Hackton** in **MRCET** in the year 2021, Introduction for data science,

Introduction for data science, Data science foundation certification in Infosys in the year 2022.

Mr M. ABHINAV REDDY (20N31A6739) has completed course in data visualization with python, python 101 for data science, data analysis with python in cognitive class, the ultimate python guide for beginners, math for data science and machine learning, Microsoft excel master class for business managers in Udemy in the year 2021.

Mr N.SAI TEJA (20N31A6744) has done course in data visualization with python, python 101 for data science, Data analysis with python in cognitive class, Building awesome professional brand through impactful emails, The ultimate python guide for beginners, Microsoft excel master class for business managers, Math for data science and machine learning in Udemy in the year 2020-2022.

Ms SHALINI PRIYA BAIRY (20N31A6753) has participated in python 101 for data science, data analysis with python in cognitive class, Microsoft excel master class for business managers, smart english basics for professionals, Python for data science with real exercises in udemy, National level quiz on python programming in sigma group of institutes, data analysis with python in IBM developer skills network in the year 2021, **Smart India Hackthon** in the year 2022.

Ms N. VENKATA LAKSHMI (20N31A6743) has completed course in data visualization with python, Python 101 for data science, data analysis with python in cognitive class, building awesome professional brand through impactful emails, Microsoft excel master class for business managers, math for data science and machine learning, Bootstrap 5 with 2 projects in Udemy in the year 2021.

Ms SOMPALLI LAKSHMI SPANDANA (20N31A6754) has participated in national level quiz on python programming in sigma group of institutes, Math for data science and machine learning, The ultimate python guide for beginners in udemy, Python 101 for data science in cognitive class in the year 2021, Smart India Hackthon in the year 2022.

Ms CHAMPATI NAGA SRI (20N31A6711) has completed course in national level quiz on python programming in sigma group of institutes, Python 101 for data science in Udemy, Data analysis with python in cognitive class in the year 2021.

Ms SNEHASRIYA (20N31A6706) has participated in python 101 for data science, Data visualization with python, Data analysis with python in cognitive class, Google analytics for beginners in Google analytics academy in the year 2021.

Mr VN. VAIBHAV (20N31A6759) has completed course in data visualization with python, Python 101 for data science in cognitive class in the year 2020-2022.

Mr RALLABANDI NITHISH KUMAR (21N35A6705) has participated in data science with python in simply learn in the year 2020-2022.

Mr KASANABOINA PAVAN KUMAR (20N31A6730) has done course in data analysis with python, Python 101 for data science, Data visualization with python in cognitive class, Python programming, bootstrap 5 with 2 projects in Udemy in the year 2020-2022.

Ms N. SRINIDHI REDDY (20N31A6730) has participated in data analysis with python, python 101 for data science, data visualization with python in cognitive class python programming, bootstrap 5 with 2 projects in Udemy in the year 2020-2022.

Ms E. SAI SREEJA (20N31A6719) has completed course in Microsoft excel master class for business managers, Math for data science and machine learning, The ultimate python guide for beginners in Udemy, Data analysis with python, python 101 for data science, data visualization with python in cognitive class in the year 2020-2022.

Ms CHOWDARY MEDHA (20N31A6712) has done course in data analysis with python (cognitive class), national level quiz (sigma group of institutes), course on bootstrap, Radical PPT presentation competition stood 1st place in MRCET, building professional brands through effective emails in Udemy, Academic topper of the year 2020-2021 in the year 2020-2022.

Ms CH. VARSHA REDDY (20N31A6710) has completed course in Microsoft Excel master class for business managers, Math for data science and machine learning in Udemy. Data analysis with python, Python 101 for data science, Data visualization with python in cognitive class. The ultimate python guide for beginners in Udemy in the year 2020-2022.

Ms BARDIPURAM KEERTHI (20N31A6705) has done course in data analysis with python, data visualization with python, Python 101 for data science in cognitive class, National level quiz in sigma group of institutes, **Smart India Hackathon**, Aavishkar 2021 best orator in MRCET in the year 2020-2022.

Ms GUDURU MRINALINI (20N31A6724) has participated in data analysis with python in cognitive class, Math for data science and machine learning in udemy. The ultimate python guide for beginners, Aavishkar best orator in MRCET in the year 2020-2022.

Ms AERRA PRANATHI (20N31A6701) has completed course in data analysis with python, Data visualization with python in cognitive class, Python programming-from basics to advanced level in Udemy, Microsoft AI classroom series in Microsoft, Aavishkar 2021 best orator Coding Hackathon in MRCET, Smart India Hackathon in the year 2020-2022.

Ms GAYATHRI PAWAR (20N31A6721) has done course in data analysis with python, Data visualization with python in cognitive class, Python programming-from basics to advanced level, in Udemy, Smart India Hackathon, Aavishkar 2021 paper presentation in MRCET in the year 2020-2022.

Ms TANUSRI (20N31A6733) has participated in python 101 for data science in cognitive class in the year 2020-2022.

Ms E. NEHA NARMADA (20N31A6718) has completed course in python 101 for data science in cognitive class in the year 2020-2022.

Ms MANVITHA (20N31A6740) has done course in python 101 for data science in cognitive class in the year 2020-2022.

Mr AILA CHANAKYA DARAHAS (20N31A6702) has participated in radical quiz competition stood 1st place in MRCET, Course name, Data analysis with python, Python 101 for data science, Data visualization with python in cognitive class, Python programming, Bootstrap 5 with 2 projects, Building awesome professional brand through impact emails, math for data science and machine learning, Microsoft excel master class for business managers in Udemy, 6 technologies in one introduction in learn mail in the year 2020-2022.
