Student Achievements of IoT

ANNARAPU DIVYA SRI (20N31A6908)** has accomplished medal in Kabaddi in university sports on March 17th 2022.

KATTA SHIVANI REDDY (20N31A6927) has secured medal in Kabaddi in university sports on March 17th 2022.

V.NIHARIKA (20N31A6956), A.HARIKA (20N31A6905), V.GHANSYAM (20N31A6955), and B.NIKHILA (20N31A6940) has completed project based on **"SMART CAR BARRIER"** in May 2022.

S.PRAVEEN RAO (20N31A6952), V.GHANSHYAM (20N31A6955), S.SHIVA SAI (20N31A6949), T.SAIKUMAR (20N31A6954) has done project based on **"RC CAR"** in May 2022.

S.PRAVEENRAO (20N31A6952), V.GHANSHYAM (20N31A6955), S.SHIVASAI (20N31A6949) has done project based on **"SMART ANGLE IN CLINOMETERS"** in May 2022.

S.SHIVA SAI (20N31A6949), T.SAI KUMAR (20N31A6954), ROHITH RANGA(20N31A6948), A.ASHANWITH (20N31A6903) has completed project based on **"SMART BLIND STICK"** in May,2022

K.SREENIVAS (20N31A6933), K.SHIVANI (20N31A6927), Y.SUDHARSHAN (20N31A6959) has done project based on **"SMART DUSTBIN"** in May, 2022.

R.NIKHIL (20N31A6947), KOUSHIK (20N31A6930), P.J.MANOHAR (20N31A6945), HEMANTH (20N31A915) has done project based on **"AUTOMATED PLANT WATERING SYSTEM"** on June 2022.

LOKESH.A (20N31A6902), ABHINAV (20N31A6912), JOHN DANIEL (20N31A6922) has done project based on **"AUTOMATION USING IR"** on June 2022.

ANNARAPU DIVYA SRI (20N31A6908) has achieved certification on python 101 for data science, C course, SQL and relational database 101, machine learning with python, introduction to AWS IoT.

POLA DEEKSHITHA (20N31A6944) has learned and certified on python101 for data science, C course, SQL and relational database 101, machine learning with python, introduction to AWS IoT.

KEERTHANAELLE (20N31A6928) has done certification on python 101 for data science, C course, SQL and relational database 101, machine learning with python, introduction to AWS IoT.

POTHI REDDY JYOTHI MANOHAR REDDY (20N31A6945) has completed certification on python101 for data science, python for beginners-2.

BOYA PATIPRAPUL (20N31A6911) has achieved certification on python for beginners-2, introduction to AWS IoT, machine learning algorithms explained.

KARNATIABHISRIRAJ (20N31A6924) has certified on Introduction to IoT device defender, python 101 for data science, python for beginners-2.

DANDABHAVANA (20N31A6916) has completed certification on python 101 for data science, python for beginners-2, and data analysis with python, introduction to IoT device defender.

ANANTHULA MANOJ (20N31A6907) has gained certification on IoT first class cloud citizen, introduction to AWS IoT, what is artificial intelligence? Solution detail: internet of tracking.

VANGASOWMYA (20N31A6957) has done certification on python for machine learning, data structures in C, introduction to deep learning.

NEELI AJAY KUMAR (20N31A6939) has achieved certification on python101 for data science, python for beginners-2, Introduction to IoT device defender.

SURI SHETTI UDVINI (20N31A6953) has completed certification on python for beginners-2, programming for everybody, data analysis for python, machine learning with python.

DARAMEESHWAR PRASAD (20N31A6917) has achieved certification on python for beginners-2, Introduction to Amazon elastic compute cloud, certified web developer from scratch.
