Objectives of the Activity (In 100 words):

Malla Reddy College of Engineering & Technology Innovation Council (IIC) and Department of Business Management has conducted Mastering Management Maze (MMM) program for MBA 1st year students from May 04-06, 2023. This Program has been designed based on the Balance Scorecard (BSC) concept as it is an organizational-level performance management tool. The Program is been divided into two categories 1. Best Strategy Communicator & 2. Gamifying leadership skills. Students must thoroughly study the company details to understand the four essential aspects: Financial, Internal Process, Customer, and Development of the business. Moreover, the Program's second part helps the students navigate leadership skills through gamification. This Program aims to facilitate the students understanding of how strategy mapping is done in the companies. It also helps to identify and analyze the company's internal operations to investigate the cause-and-effect process.
