MRCET Campus with its arboriculture and horticulture is situated away from the hustle and bustle of the city provides a serene and tranquil atmosphere, which is conducive to both teaching and learning processes.

MRCET has a perspective plan to grow into a 'Center of Excellence' through new initiatives by creating world class infrastructure, expanding international collaborations, developing innovative programs, establishing industrial tie-ups, recruiting well qualified and trained faculty, promoting the talent, nurturing the research and innovation and also fostering the outreach activities with sustainable fund flow.

MRCET CAMPUS

Vision

- To establish a pedestal for the integral innovation, team spirit, originality and competence in the students, expose them to face the global challenges and become pioneers of Indian vision of modern society.

Mission

- To become a model institution in the fields of Engineering, Technology and Management.

- To impart holistic education to the students to render them as industry ready engineers.

- To ensure synchronization of institute ideologies with challenging demands of International Pioneering Organizations.

Campus Placements

MRCET is an acknowledged leader in creating campus placements and these are growing year by year at a rapid pace which is contributing to the brand status of the institution.
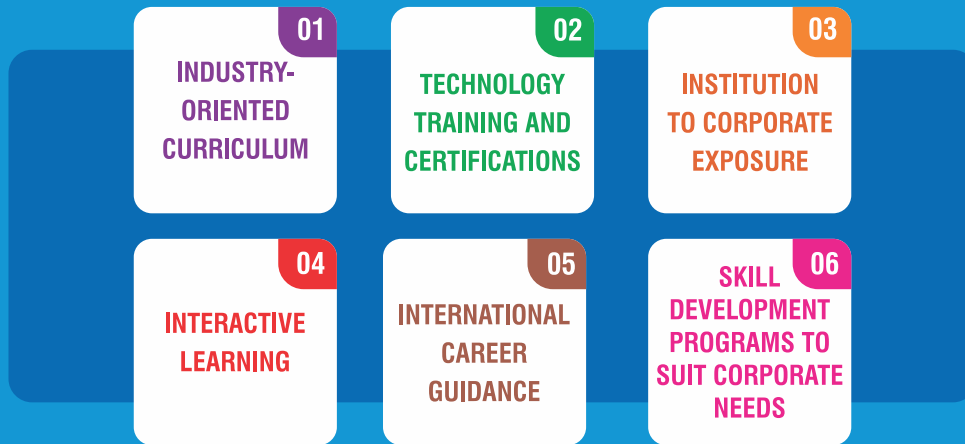

The T&P Cell works round the clock to ensure the students of the college gets placed in reputed companies. MRCET attaches greater importance to the students in their overall development, particularly in communication skills, problem solving capabilities and value added programs. This kind of holistic development ensures that the student is transformed into a perfect fit in today's competitive job market.

The training and placement cell has evolved and emerged as a destination for many national and multinational organizations to recruit the fresh talent nurtured in the campus. Over the years MRCET has proven its mettle in the industrial arena with continuous extraordinary support and encouragement from the **Director, Principal** and persistent efforts by the **Dean-Placements & Training.**

The college has taken the credit for attracting Multinational IT Service and Product development companies across the globe for recruiting of our students in on-campus placements. In the journey towards excellence, many milestones were also set and accomplished by the department in terms of quality and quantity.
Our well-equipped campus placement training team is headed by **Prof. K. Kailasa Rao,** Dean of placements & training along with a team of eminent professors with a proven track record and professionals who have made a mark in the industry. We introduce our students to the concepts of corporate culture and a sense of influential patronage. The dean of placements streamlines the Campus Recruitment and Training (CRT) activities creating a positive impact on the employment process and ensures that the potential candidates get absorbed into the companies of their choice.

Why MRCET should be your first choice?

Training & Certification Programs

Placement and Training Cell offers Career Development Program for the students who aspire to join corporate companies. The Training programs have been formulated after a thorough analysis of the requirement of these companies. We collaborate with reputed companies in the field of training and recruitment to provide such training. They enable our students gain a competitive edge in the recruitment process, groom themselves and develop their personality. The training modules are formulated to improve our students' hard skills like- Pseudo Coding, Logical reasoning, Planning & Goal Setting, Programming Skills and Quantitative Aptitude and soft skills like Presentation skills, Group Discussion, Team Building, Personnel Counseling, Planning and Goal Setting, Motivational Talk, JAM Sessions, and Interpersonal & Listening skills.

Online Assessments

As we understand that the assessments are a vital part in improving the students' aptitude skills, we offer students an Interactive, learning-centric, user-friendly, robust test taking platform which gives immediate, insightful performance report with detailed explanation. We have experienced a huge improvement in the student's aptitude skills after we exposed them to online assessment system.

Technology Training and Certifications

- The College has taken initiative to enhance the employability skills of students through organizing group discussions, personal & technical interviews and soft skills to suit the requirements of Multinational Companies
