ANTI-RAGGING MEASURES

Following measures are taken by the Anti-Ragging committee to eliminate Ragging practices from the roots.

- 1) The internal committees are formed every academic year to monitor at different vulnerable places like college buses, canteen, play grounds, corridors and bus stops.
- 2) An undertaking is signed by every student twice, one at the time of joining the institution and the other one after entering in to 2nd year. And a copy of act & salient features are provided to everyone.
- 3) Messages are posted to parents to take care that their wards do not indulge in Ragging activities.
- 4) Anti-ragging boards and notices are displayed all around the campus & corridors.
- 5) The principal, HODs and Senior Faculty personally visit I year class rooms and interact with freshers and take them in to confidence by apprising them of their rights as well as obligation to fight against ragging. At the same time, they interact with senior students and tell them do not indulge in Ragging.
- 6) The Anti-Ragging committee provides contact numbers of the principal, heads of the departments, senior faculty members and other committee members to all the students for reporting any incidence of ragging.
- 7) The institution has identified student vigilance groups to a watch and report incidence of ragging practices in and around the college.
- 8) Compliant boxes are arranged in the campus to gather complaints (if any) from the students.
- 9) Every year we request & write a letter to SP and Station house officer, Petbasheerabhad to depute some mufty police personnel's at RTC bus stops.
