INDUSTRIAL VISIT TO-MCEME CENTRE, SECUNDERABAD

16 FEB, 2020

Department of ECE has organized a **industrial visit to MCEME, Secunderabad on Feb 16, 2020** for III ECE Students

Objective of the Visit: To bring awareness for the III ECE Students about Communication systems, types of links-wired and wireless modes and communication modules.

We along with 225 students for left for visit at 10 a.m. and took about one and a half an hour to cover the distance. The MCEME is located in, Secunderabad. As soon as we reached company we were guided by Mr.Aniketh and Mr.Shekhar to conference for inaugural session. Later we were accompanied to the respective labs. The students were divided into batches of four and taken to 4 different labs carried with a 45 minutes session. The batches were rotated.

The visit was successful in providing students about communication system-wired and wireless and all the concepts based on communication, real time use, working were also demonstrated. The students were excited and happy.

The schedule of the visit is given below:
