A FIVE-DAY CRT TRAINING PROGRAM FOR III ECE Students in association with TIME INSTITUTE

5th to 9th Aug, 2019

The five days CRT classes was held from 5th to 9th Aug 2019 at MRCET ECE Seminar hall and was conducted by TIME Institute. Nearly 196 students of III ECE branch attended these classes.

The base line of these classes was to improve the communication skills and soft skills of the students and to extract their hidden talent of speaking by conducting extempore, group discussions and many more classroom activities. Communication skills like *listening, speaking, reading, and writing* were well trained by many lectures within five days.

CRT Training Objectives of the practice:

- To persuade the students to possess a sound technical knowledge in the area of study
- To enhance the programming skills of students
- To train the students in time- bound answering of aptitude tests
- To help students excel in language and communication skills
- To prepare the students for different levels of selection process such as group discussions and one-to- one interviews
- To help boost the students' confidence level through soft skills trianing
- To inculcate the importance of projecting a smart appearance
- To groom the students to the corporate level

The training was well conducted by all the lecturers and made students to interact with them effectively. The training received huge appreciation from the students because they gave much knowledge about communication skills which everyone need to develop to live happily in the society as well as in the company. The effort of entire TIME Institute was applauded by all present. The students were very grateful to their beloved Principal Dr.V.S.K.Reddy Sir for facilitating the training sessions which were highly focused towards campus placements.
