National Science Day

February 28th 2022

Malla Reddy College of Engineering & Technology

(Autonomous Institution-UGC, Govt of India)

Department of ECE

Report of the Program

Title of the Activity: **National Science Day 2k22**

Date & Time: **28-02-2022 & 10.00 am -3.30pm**

Duration (in minutes): **330**

No of Student Participants: **75**

No of Faculty Participants: **25**

No of External Participants:

Expenditure:

Mode of Delivery: **Offline**

Objectives of the Activity (In 100 words):

National Science Day's main objective is to increase awareness among people about the importance of science and technology in their lives. National Science day is celebrated in MRCET to spread message about the importance of science used in the daily life of the people. To display all the activities, efforts and achievements in the field of science for human welfare. It is celebrated to discuss all the issues and implement new technologies for development in the field of science. To give an opportunity to the scientific-minded citizens in the country. To encourage student as well as popularize science and technology.

Benefits in terms of learning/Skill/Knowledge obtained (In 150 words):

National Science Day is celebrated to motivate students to take part in the field of science. The theme opted is Integrated approach in Science and Technology for a Sustainable Future. Awareness is given to students about the importance of scientific applications in their daily life by conducting lot of activities related to science and technology. On this day, various efforts and achievements in science are discussed and students are motivated about the need for implementation of new technologies. It ignites an interest in science to perform new experiments and make them aware of the latest developments in science and technology. The purpose of celebrating this day is to enhance scientific temper, popularization of science and encourage innovative activities by infusing scientific temperament and to create a positive scientific research culture. Also helps to encourage talented minds to come out from silos working culture and take part in theme-based projects.

Any other points about the program:

Remarks (if any):

Conducted events such as Poster presentation, Painting, Slogan writing, Quiz, Mathematics puzzles, Origami, Video creation.
