

C PROGRAMME TRAINING

A programme on C training was organized by MRCET from 18 February 2019 to 23 February 2019 under the supervision of the vibrant Principal, Dr.V.S.K.Reddy and the dynamic Head of Humanities and sciences, Dr Madhusudhana Reddy. The programme was conducted by Talentio Training team. The company is known for its skill development classes. The team enhanced the students' skills and helped them understand the importance of C language. This programme was organized in order to help technical students to learn C language effectively.
