

A ONE DAY SEMINAR ON STRONG WILL

A distinctive speaker Mr. Md Shakeer was invited to motivate the new students on 4th November, 2022 in the placement block. Mr.Shakeer became the first visually-challenged to finish MBA in Andhra Pradesh. He addressed the students and advised them that every problem is an opportunity in disguise. He believes that one can discover positivity in negative situations too. Throughout the session he appeared awfully pleasant and active. The students and the faculty members were equally amused at his strong will and determination. Mr.Shakeer was felicitated by the management with a memento.
