

SIGNIFICANCE OF VALUES IN TODAY'S WORLD

On the third day of the induction programme, on 4th November 2022, Dr.A.Jagan Mohan Reddy was invited to speak on the importance of values in one's life. His approach was very unique as he synchronized ancient wisdom with modern management. His main objective was to help students understand that there is a solution for every problem in the ancient scriptures. Students were in awe as the speaker was so energetic.

Dr.A.Jagan Mohan Reddy has more than twenty years of industry experience and he is a passionate teacher. He is a gold medalist in Economics from JNU, New Delhi. Earlier, he worked as an HR faculty at Symbiosis Institute of Business Management. He has also published many articles that was later published in the form of a book titled "Spiritual guidelines for Management Success".
