

UNLOCKING POTENTIAL: THE JOURNEY TO EMPOWERMENT

Mr. Shiva Prasad, founder of ECG (Ethical Career Guidance) is a life coach and a Psychologist who loves interacting with young students to give them career guidance. He is a professional who dedicates his life to guiding individuals toward personal and professional success, instilling hope, and igniting passion. Through his unique blend of coaching and speaking, he empowers people to overcome obstacles, embrace changes, and realize their fullest potential. It was conducted on 30th August, 2024.

As a motivational speaker, Mr. Shiva Prasad takes the stage to share powerful stories, insights, and strategies for success. He inspires and uplifts audiences, leaving them with actionable takeaways and renewed enthusiasm. Through engaging storytelling and relatable experiences, he connects with listeners on an emotional level, encouraging them to pursue their dreams and overcome adversities.

He fostered a positive mindset, promoted self-awareness, and empowered the first years to take control of their lives, guiding them toward informed decision-making.

He spoke about how every student should be happy in one's own company; put one's own efforts and always be in the present. Besides these, he also spoke about 5 Cs- commitment, clarity, confidence, concentration and character.

In a nutshell, the students were super excited to receive such nuggets of wisdom.

The speaker was facilitated by the HOD of H&S, Dr. Madhusudhana Reddy.
