

Tech Meets Talent – AAVISHKAAR 2025

The Department of Humanities and Sciences (H&S) at Malla Reddy College of Engineering and Technology (MRCET) proudly organized AAVISHKAAR 2025 on the 3rd & 4th of April, an annual techno-fest designed exclusively for B.Tech I Year students. Held under the expert guidance of Dr. Srinivas Rao and led by Dr. V. Madhusudhana Reddy, Head of the H&S Department, this vibrant two-day event aimed to ignite creativity, innovation, and enthusiasm among young engineering minds.

The fest began on an inspiring note with a formal inaugural ceremony, graced by distinguished dignitaries and enthusiastic participants. The chief guest lauded the initiative, applauding the management for providing a platform that encourages students to explore their academic and creative potential beyond the classroom.

AAVISHKAAR 2025 featured a wide array of technical and literary events that captivated the student community. These included:

- Debate
- Technical Quiz
- Science Project Expo
- Technical Paper Presentations
- Poster Presentations
- Treasure hunt
- Sketching
- Flash mob
- Coding
- And several other engaging competitions

The response was overwhelming, with students participating actively and showcasing remarkable talent, innovation, and communication skills.

Sports Blanza – Unleashing Athletic Spirit

Adding to the festivity was the energetic sports segment, “Sports Blanza”, which brought out the competitive spirit in students. Over 300 students registered across various games and contests, making it a truly spirited affair. Each event was conducted with enthusiasm and discipline, encouraging teamwork and sportsmanship.

Recognition and Rewards

To acknowledge excellence, winners received merit certificates and cash prizes, while the dedicated organizing team was honored with certificates of appreciation during the success meet. The recognition not only celebrated achievement but also encouraged leadership and a sense of responsibility among the participants.

A Lasting Impact

AAVISHKAAR 2025 concluded on a high note, leaving behind memories of joy, learning, and collaboration. Events like these play a crucial role in nurturing student talent, promoting interdisciplinary engagement, and building a strong foundation for future academic and personal growth.

A radiant banner makes the building shine with pride!!
