MALLA REDDY COLLEGE OF ENGINEERING & TECHNOLOGY
(AUTONOMOUS INSTITUTION - UGC, GOVT. OF INDIA)
Affiliated to JNTUH; Approved by AICTE, NBA-Tier 1 & NAAC with A-GRADE | ISO 9001:2015

SNAP TALK

Snap Talk is an avenue for all the students to give a 5-minute talk regularly on any topic of their choice. This avenue helps students to speak with confidence, and to create and deliver engaging presentations. The teachers will act as facilitators in correcting the communication errors and providing suggestions for better presentations.

The major objective of organizing snap talk is to provide the platform and unleash the potential of the students by showcasing their skills. Snap Talk is conducted for all the years of students. Usually chose topics are

- Blockchain Technology
- Robotic Process Automation
- Chat GPT and its capabilities
- How 5G Technology can Revolutionize the Industry?
- 5G Wireless Technology
- Impact of the Internet on Our Daily Life
- The technology behind Face Unlocking in Smartphones
- 3D Printing Technology
- Anti-HIV using nanorobots
- Humanoid Robots
- Virtual Reality: working and examples
- Metaverse and how Apps are developed in Metaverse
- Smart Eye Technology
- Augmented Reality
- Automatic Video Surveillance Systems
- Automatic number plate recognition
- Cloud Computing vs. Distributed Computing

- Attendance Monitoring Intelligent Classroom
- Automatic Mobile Recharger Station
- Automatic sound-based user grouping for real-time online forums
- Bio-computers/Biomolecular Computers
- Biochips
- What is Big Data?
