(Approved by AICTE & Affiliated to JNTUH)

DEPARTMENT OF MECHANICAL ENGINEERING

Report on Elevator Inauguration in Mechanical Building

Venue: MRCET Mechanical Building

Date: 30th June, 2025

The inauguration of a newly installed elevator at Mechanical Engineering Department Building was held on 30-06-2025. The event marked a significant step toward enhancing infrastructure and ensuring accessibility for students, faculty, staff, and visitors.

The ceremony commenced at 11:30 AM with the welcome address delivered by Dr. VSK Reddy Advisor, Dr. S Srinivasa Rao Principal, Dr. Desu Damodara Reddy, HOD-ME and other Department HODs who emphasized the importance of inclusivity and convenience in an educational environment. The elevator was officially inaugurated by Dr. VSK Reddy Advisor, MRCET, by cutting the ribbon and pressing the activation button.

The newly installed elevator is designed to serve all floors of the building No.3, ensuring ease of movement. It is equipped with modern safety features, emergency controls, and a user-friendly interface.

In his address, the Chief Guest highlighted the administration's commitment to providing a safe, accessible, and student-friendly campus. He congratulated the management team for their efforts in executing the project efficiently.

This development is expected to significantly improve the college's infrastructure and reflects the institution's progressive outlook in accommodating the needs of its diverse community.
