He gave an update regarding the departmental events such as **Espark** by EEE, **Electrosurge** by ECE, **Espirito** by CSE, **Aerodyne** by Aero, **Techtrix** by IT, **Yantrotsav** by Mech, **Aavishkar** by H&S, and **Blitz** related to Sports.

**Dr. S Srinivasa Rao, HOD, Department of ECE and Organizing Secretary, Exuberanza, MRCET** thanked the guests, participants and the sponsors of this event for their valuable presence and outstanding contributions. Later, he welcomed **Prof. Amiya Bhaumik, Vice-chancellor, University of Malaysia** and **Dr. A Govardhan, Professor and Rector, JNTUH** to address the gathering.

**Prof. Amiya Bhaumik, Vice-chancellor, University of Malaysia** conveyed to the gathering that everyone has Einstein within themselves. He wished best of luck to all the participants in their journey of life and suggested to choose the area of research such that it has a great impact on the welfare of the society.

**Dr. A Govardhan, Professor and Rector, JNTUH** advised the participants to develop start-up culture, entrepreneur skills and collaborative activities. He encouraged them to get aligned in terms of national development by redefining and rethinking about global warming and solar system in their researches.

**Dr. V S K Reddy Sir, Principal, MRCET** thanked the guests for their valuable remarks. He appreciated their effort in making the participants aware of the collaborative research, a need of

the hour. He agreed to the inputs given by the guests and added that interdisciplinary collaboration is definitely going to make wonders in the areas of research.

**Dr. V S K Reddy Sir, Principal, MRCET**, along with the chief guests accompanied in the launch of - logo for CADD centre, release of the CSE Department Newsletter “**M-wave**”, and the brochures of faculty conference under IEEE Springer International Conference scheduled on June 22<sup>nd</sup> and June 23<sup>rd</sup>.

From facilitating and enhancing networking skills to helping students get better at management and speaking skills, this season of college fests provide students, a great learning curve, as ‘wonderful memories’ after they graduate.

More than 2000 registrations were observed for the above mentioned events.

Following are some of the neighboring institutes who had representation in the events:

1. St Peter’s College of Engineering and Technology
2. Narsimha Reddy college of Engineering and Technology
3. CMR Engineering College
4. Mallareddy Institute of Engineering and Technology
5. St. Martin’s Engineering College
6. Mallareddy Institute of Engineering and Technology
7. Hyderabad Institute of Technology and Management
8. MLR Institute of Engineering and Technology
9. Institute of Aeronautical Engineering
10. CMR Engineering College

*“The learning that happens at a fest, be it the experience of being a team player, is no match to a classroom atmosphere. It builds the feeling that you’re part of the college. You’ll find yourself in moments like these, your interests, culture, fine arts or even literature,”* says Surya, a final year student of CSE @ MRCET.
